7-3-1314. Payment and investigation of claims — use of warrants. (1) No claim against the municipality shall be paid except by means of a warrant on the treasury issued by the director of finance. The director of finance shall issue no warrant for the payment of a claim unless the claim is evidenced by a voucher approved by the head of the department or office for which the indebtedness was incurred, and each such officer and his surety shall be liable to the municipality for all loss or damage sustained by reason of his negligent or corrupt approval of any claim.

(2) The director of finance shall examine all payrolls, bills, and other claims and demands against the municipality and shall issue no warrant for payment unless he finds that the claim is in proper form, correctly computed, and duly approved; that it is legally due and payable; and that an appropriation has been made therefor which has not been exhausted. He may investigate any claimant and for that purpose may summon before him any officer, agent, or employee of the municipality or any claimant or other person and examine him upon oath or affirmation relative thereto. If he finds a claim to be fraudulent, erroneous, or otherwise invalid or that the appropriation out of which such claim is payable has been exhausted, he shall not issue a warrant therefor. If the director of finance issue a warrant on the treasury authorizing payment of any claim in contravention of the provisions of this subsection, he and his sureties shall be individually liable to the municipality for the amount of such warrant if paid.

7-3-1315. Certification of certain obligations by finance director. (1) No contract, agreement, or other obligation, other than contracts pertaining to work or improvements to be paid for by special assessments, involving the expenditure of any funds shall be entered into nor shall any order for such expenditures be valid unless the director of finance shall first certify to the commission that the object or purpose for which such expenditure is to be made and the amount thereof is provided for by an appropriation in the annual budget or in a supplemental budget and that the same has not been expended. The certificate of the director of finance shall be filed and made a matter of record in his office, and the appropriation for such purpose shall thereafter be considered as having been set aside and expended to the amount of such contract, agreement, or obligation.

(2) All contracts, agreements, or other obligations entered into, all ordinances and resolutions passed, and all orders adopted contrary to the provisions of subsection (1) shall be void, and no person whatever shall have any claim or demand against the municipality thereunder, nor shall the commission or any officer of the municipality waive or qualify the limitations fixed by subsection (1) or fasten upon the municipality any liability whatever in excess thereof.

7-3-1316. Designation of depository banks. On or before August 1 of each year, the commission shall designate the banks subject to state or national supervision in which the funds of the municipality shall be deposited. In designating such banks, the commission shall specify the maximum amount of municipal funds that may be kept at any time in each.

History: En. Sec. 64, Ch. 121, L. 1923; re-en. Sec. 5520.65, R.C.M. 1935; R.C.M. 1947, 11-3505(part).

7-3-1317. Deposit security. (1) Unless a bank designated as a depository shall elect to deposit securities with the treasurer as provided in subsection (2), it shall give good and sufficient bonds, with sureties to be approved by the commission, conditioned for the safekeeping and payment of the municipal funds deposited therewith and the interest thereon. Any such bonds of a depository shall be in the aggregate equal to the amount designated by the commission as the maximum of municipal funds which may at any time be kept by such depository. All surety bonds given by a bank in accordance with the provisions of this subsection shall continue in force so long as funds of the municipality deposited therein shall be unpaid. Nothing provided herein shall impair the rights and remedies of the municipality on such bonds under the laws of the state.

(2) In lieu of the surety bonds specified in subsection (1), any bank designated as a depository of municipal funds may deposit with the treasurer bonds of the class and kind in which, by the provisions of 7-3-1322, the sinking fund of the municipality may be invested. Bonds so deposited shall be in an amount equal to the amount of municipal funds permitted at any time to be deposited with such bank, shall be approved by the commission, and shall be accompanied by proper assignment, to the end that the bank so depositing and assigning such bonds will safely keep and pay over to the treasurer or his order, on demand and free of exchange, all money at any time deposited therein with interest thereon at the rate agreed upon and that in case of default on the part of such bank, the commission shall have power

and authority to sell such bonds or so much thereof as may be necessary to realize the full amount of the funds deposited therein. The bank shall be entitled to interest on the securities so deposited with the treasurer, when paid, and to the return of the securities at the termination of such trust so long as the bank is not in default. With the approval of the commission, a bank may at any time substitute other like securities of equal value for those so deposited.

(3) Bonds and other securities given by banks in accordance with this part shall be entered in a record to be kept for that purpose by the director of finance and deposited with the treasurer for safekeeping. The record of such bonds and securities kept by the director of finance or copies thereof certified by that officer shall be competent and prima facie evidence of the contents and tenor thereof.

7-3-1318. Additional or new deposit security. Whenever for any cause the commission shall deem the bonds or securities of any bank insufficient security for the municipal funds deposited or likely to be deposited therein, the commission shall require new bonds to be given or new securities to be deposited with the treasurer. If any bank shall fail promptly to execute and present such new bonds or deposit such new securities, the treasurer shall at once withdraw all deposits therefrom, and no further deposit of municipal funds shall be made therein until such bank shall have been redesignated by the commission as a depository.

History: **En. Sec. 66, Ch. 121, L. 1923; re-en. Sec. 5520.67, R.C.M. 1935; R.C.M. 1947, 11-3507.**

7-3-1319. Deposit of funds with depository banks. (1) All funds received by the treasurer shall be deposited by him in the designated banks in the name of the municipality, subject to the order of the treasurer, and shall be distributed among the designated banks as nearly as may be in proportion to the maximum amounts which they have been authorized to receive by the commission.

(2) Banks designated as depositories shall pay interest on daily balances of municipal funds at a rate approved by the commission, which shall in no case be less than 2 ½%. The interest due on such deposits shall be paid to the treasurer by check on the last day of each quarter of the fiscal year. If the treasurer shall at any time receive or have in any bank funds which will probably remain on deposit 3 months or longer, he may, with the approval of the commission, either take therefor certificates of deposit from a designated depository, payable to his order on demand and bearing a higher rate of interest, or invest such funds in any bonds maturing within 6 months in which the sinking fund of the municipality may be invested. The treasurer shall make a monthly statement to the director of finance of the municipal funds in each bank and the interest received therein, as of the last day of each month.

(3) No bank receiving funds of the municipality on deposit shall have authority to pay out any such money except upon checks drawn upon that bank signed by the treasurer.

7-3-1320. Liability for deposited funds. (1) When the funds of the municipality are deposited and kept in designated banks according to the provisions of this part, the treasurer and the sureties on his official bond shall be exempt from all liability for the loss of any funds so deposited if such loss is caused by the failure, bankruptcy, or any other act or default of such banks, but the want of care or due diligence on the part of the treasurer or commission in protecting the municipality against loss shall not exempt the treasurer, the members of the commission, or sureties on their respective bonds from liability.

(2) Nothing provided herein shall deprive the municipality of any right or remedy against any defaulting bank or against its officers or stockholders.

History: En. Sec. 71, Ch. 121, L. 1923; re-en. Sec. 5520.72, R.C.M. 1935; R.C.M. 1947, 11-3512.

7-3-1321. Authorization to incur indebtedness — limitation. (1) The consolidated municipality may borrow money or issue bonds for any municipal purpose to the extent and in the manner provided by the constitution and laws of Montana for the borrowing of money or issuing of bonds by counties and cities and towns.

(2) The municipality may not become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 28% of the taxable value of the taxable property therein, as ascertained by the last assessment for state and county taxes prior to incurring such indebtedness. All warrants, bonds, or obligations in excess of such amount given by or on behalf of the municipality shall be void.

History: En. Secs. 72, 73, Ch. 121, L. 1923; re-en. Secs. 5520.73, 5520.74, R.C.M. 1935; R.C.M. 1947, 11-3513, 11-3514; amd. Sec. 39, Ch. 614, L. 1981.

Compiler's Comments

1981 Amendment: Changed "The municipality shall not" to "The municipality may not" at the beginning of (2); and substituted "exceeding 28% of the taxable value" for "exceeding 5% of the value" in the middle of (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobiles and light trucks.

7-3-1322. Investment of sinking funds. (1) The sinking funds of the municipality shall be in charge of a sinking fund board consisting of the president, the director of finance, and the director of law. The president shall be the chairman and the director of finance, the secretary of the board. By and with consent of the commission, the sinking fund board shall invest the sinking fund in bonds or certificates of indebtedness of the United States, state bonds or certificates of indebtedness of Montana or any other state of the United States, bonds of the municipality, registered warrants on the treasury of such municipality, bonds of any city in Montana, and in such county or school bonds of Montana as may be approved by the commission.

(2) In case the sinking fund is invested in bonds of the municipality, such bonds shall not be canceled before maturity but shall be held by the sinking fund board and the interest thereon paid over and applied to the increase of the sinking fund. Whenever the principal of any of the bonds of the municipality shall become due, the sinking fund board shall, with the consent of the commission, dispose of such of the bonds belonging to the sinking fund as, with the money on hand belonging to the sinking fund, shall be necessary to pay the bonds so becoming due.

1981 Amendments: Chapter 518 and Ch. 575 deleted subsection (3) which provided: "The coroner is entitled to receive a salary established prior to July 1 of each year by the board of county commissioners. The salary must be in effect upon the first day of each ensuing fiscal year."

Effective Date: Section 5, Ch. 518, L. 1981, provided: "This act is effective July 1, 1981."

Composite Section: This section was amended by Ch. 371 and Ch. 443, L. 1979, and a composite section was prepared by the Code Commissioner, 1979. Ch. 443 was a Code Commissioner bill and was not intended to make substantive changes. Consequently a conflict of language in subsection (1) between Ch. 371 and Ch. 443 has been resolved in favor of the language used in Ch. 371.

Compensation Plan: Ch. 545, L. 1979, established a County Compensation Board to consider the salaries of elected county officials and present to the Legislature an ongoing salary plan.

7-4-2502. Payment of salaries of county officials and assistants. (1) Except as provided in subsection (2), the salaries of the county officers and their assistants may be paid monthly, twice monthly, or every 2 weeks out of the general fund of the county and upon the order of the board of county commissioners.

(2) (a) The salary of the county attorney is payable monthly, with one-half from the general fund of the county and the other one-half from the state treasury upon the warrant of the state auditor.

(b) The county commissioners of each county shall, within 30 days after the election or appointment to fill a vacancy for any cause in the office of county attorney, certify the election or appointment to the state auditor, who shall thereafter draw warrants for such salary in the same manner as for state officers. In case of a vacancy, the county commissioners shall immediately notify the state auditor, and the auditor shall compute the salary due on the basis of the notification.

(3) The board has jurisdiction and power, under such limitations and restrictions as are prescribed by law, to fix the compensation of all county

officers not otherwise fixed by law and to provide for the payment of the same.

Composite section. This section was amended by Ch. 109 and Ch. 443, L. 1979, and a composite section was prepared by the Code Commissioner, 1979. Ch. 109 provided for twice monthly and biweekly paychecks in subsection (1)(a) and in former subsection (1)(b). Ch. 443, a Code Commissioner bill, deleted subsection (1)(b) referring to payment from the contingency fund as inconsistent with subsection (1)(a) referring to payment from the general fund. The composite deleted subsection (1)(b) to avoid the inconsistency. The intent of Ch. 109 is preserved in subsection (1).

7-4-2503. Salary schedule for certain county officers. (1) The salary paid to the county treasurer, county clerk and recorder, clerk of the district court, part-time county attorney, county assessor, county superintendent of schools, and county sheriff; the county surveyor in counties where county surveyors receive salaries as provided in 7-4-2812; and the county auditor in all counties wherein such office is authorized, for the fiscal year beginning July 1, 1981, is computed by adding the annual base salary of:

(a) $14,000 for the counties of the first through fifth class to the population increment of $10 for each 100 persons or major fraction thereof included in the county's population as determined by the 1980 federal decennial census; or

(b) $12,000 for counties of the sixth and seventh class to the population increment of $20 per 100 persons or major fraction thereof in the county's population as determined by the 1980 federal decennial census.

(2) (a) The county superintendent of schools shall receive, in addition to the salary based upon subsection (1), the sum of $400 per year.

(b) The county sheriff shall receive, in addition to the salary based upon subsection (1), the sum of $2,000 per year.

(c) In counties with a population less than 30,000, the county attorney who is a part-time official shall receive, in addition to the salary based upon subsection (1), the sum of $1,200 per year. In each county with a population in excess of 30,000, the county attorney shall be a full-time official under 7-4-2704, and his salary for the fiscal year beginning July 1, 1981, shall be $36,500.

(d) In those counties where the office of the county attorney has been established as a full-time position pursuant to 7-4-2706, the salary of the county attorney for the fiscal year beginning July 1, 1981, shall be $36,500. Beginning on July 1, 1982, and on July 1 of each succeeding year, each county attorney shall be entitled to an increase in salary calculated by adding to his annual salary on July 1, 1981, an increment of 70% of the last previous calendar year's consumer price index for all urban consumers, U.S. department of labor, bureau of labor statistics, or other index that the bureau of business and economic research of the university of Montana may in the future recognize as the successor to that index. The cost-of-living increment for the fiscal year beginning July 1, 1983, and for each subsequent fiscal year shall be added to all cost-of-living increments granted for previous years.

(e) For each 10th year after the fiscal year beginning July 1, 1981, the latest federal decennial census statistics shall be the basis for computation of population increments under this section. During the intervening 9 years, the computation of population increments applicable on July 1 of each year shall be based on the last calendar year's annual estimates of counties' populations compiled by the federal-state cooperative program for estimates of the university of Montana bureau of business and economic research and the U.S. bureau of the census or other estimate that the bureau of business and economic research may certify.

(1) In order to determine the number of signatures needed on a petition to meet the percentage requirements of this part, the number of electors shall be the number of individuals registered to vote at the preceding general election for the local government.

(2) Before a petition may be circulated for signatures, a sample petition must be submitted in the form in which it will be circulated to the county election administrator for approval as to form. The election administrator shall review the sample petition to ensure compliance with 7-5-131 and 7-5-132.

This statement must be an accurate and impartial explanation of the purpose of the proposed ballot issue in plain, easily understood language. (4) At the time the statement of purpose is prepared, the attorney shall prepare a statement of the implication of a vote for and a statement of the implication of a vote against the ballot issue. Each statement of implication may be no more than 25 words and must be in simple, impartial language that clearly explains the meaning of a vote for or a vote against the issue. The statements of implication must be placed beside the diagram provided for marking of the ballot in a manner similar to the following example:

This notice must include the ballot statement and the statements of implication prepared by the local government attorney.

(2) The complaint shall name as defendants not less than 10 or more than 20 of the petitioners. In addition to the names of the defendants, to the caption of the complaint there shall be added the words: "And all petitioners whose names appear on the petition for an ordinance filed on the ... day of ....., in the year ...", stating the date of filing. (1) Any ordinance proposed by petition or any amended ordinance proposed by petition or any referendum on an ordinance which is entitled to be submitted to the electors shall be voted on at the next regular election to be held in the local government unless:

(a) the petition asks that the question be submitted at a special election and is signed by at least 25% of the electors of the local government, in which case the governing body shall call a special election; or

(b) the governing body calls for a special election on the question.

(2) A special election may not be held sooner than 60 days after the adequacy of the petition is determined by the election administrator or the governing body orders a special election.

(3) If the adequacy of the petition is determined by the election administrator less than 45 days prior to the next regular election, the election shall be delayed until the following regular election unless a special election is called.

(4) Whenever a measure is ready for submission to the electors, the appropriate election administrator shall in writing notify the governing body and shall publish notice of the election and the ordinance which is to be proposed or amended. In the case of a referendum, the ordinance sought to be repealed shall be published.

7-5-137. Effect of repeal or enactment of ordinance by initiative or referendum. If an ordinance is repealed or enacted pursuant to a proposal initiated by the electors of a local government, the governing body may not for 2 years reenact or repeal the ordinance. If during the 2-year period the governing body enacts an ordinance similar to the one repealed pursuant to a referendum of the electors, a suit may be brought to determine whether the new ordinance is a reenactment without material change of the repealed ordinance. This section shall not prevent exercise of the initiative at any time to procure a reenactment of an ordinance repealed pursuant to referendum of the electors.

The ordinance may provide for necessary changes in the statutes to accommodate the structure of the consolidated unit. This subsection applies to self-government consolidated units only in those areas where such units are subject to state law under 7-1-111 through 7-1-114.

Whenever state law imposes a duty upon a specific official or employee of a self-government consolidated unit of local government and the local government under its adopted alternative form of government does not have such an official or employee, the governing body may by ordinance assign that duty to the appropriate official or employee of the local government. The governing body of any self-government consolidated unit of local government may by ordinance assign responsibility to carry out any function or provide any service required by state law to one or more departments, officers, or employees of the local government notwithstanding the fact that the state law may assign the function or service to a specific office.

(a) to make requests of the United States, for and on behalf of the county and the political subdivisions whose jurisdictional limits are within or coextensive with the limits of the county, for payment of such sums in lieu of taxes as the United States may agree to pay; and

(b) to enter into agreements with the United States, in the name of the county, for the performance of services by the county and such political subdivisions for the benefit of the project and for the payment by the United States to the county, in one or more installments, of such sums in lieu of taxes.

(2) Each agreement entered into pursuant to subsection (1) shall contain the names of the political subdivisions with respect to which it is consummated and a statement of the proportionate share of the payment by the United States to which each such subdivision shall be entitled.

History: **(1)En. Sec. 2, Ch. 59, L. 1939; Sec. 84-5507, R.C.M. 1947 (2)En. Sec. 4, Ch. 59, L. 1939; Sec. 84-5509, R.C.M. 1947; R.C.M. 1947, 84-5507, 84-5509.**

7-6-103. Computation of payment in lieu of taxes. The amount of any payment of sums in lieu of taxes may be based on the estimated cost to each political subdivision, for and on whose behalf the agreement is entered into, of performing services for the benefit of a project during the period of the agreement, after taking into consideration the benefits to be derived by the subdivision from such project, but shall not be in excess of the taxes which would result to the subdivision for the said period if the real property of the project within the subdivision were taxable.

History: **En. Sec. 3, Ch. 59, L. 1939; R.C.M. 1947, 84-5508.**

7-6-104. Procedure to file agreement and collect in-lieu payments. (1) The board shall file duplicate copies of every agreement for payment of sums in lieu of taxes with the county clerk and county treasurer.

(2) Upon receipt of the same, the county clerk shall notify each political subdivision for and on whose behalf the agreement is executed that the same has been consummated and state the share of the payment due thereunder to which the subdivision is entitled.

(3) On or before the date on which any payment of sums in lieu of taxes is due, the county treasurer shall present a bill to the United States, in the name of the county, in the amount of such payment. (2) The fund shall contain an account with each political subdivision which is entitled to a share of a payment of sums in lieu of taxes. History: En. Sec. 6, Ch. 59, L. 1939; R.C.M. 1947, 84-5511.

7-6-106. Political subdivisions to receive county warrants for share of in-lieu payments. (1) After apportioning any payment to the several accounts as provided in 7-6-105, the county treasurer shall prepare in duplicate a complete itemized statement, one copy of which shall be filed with the board of county commissioners and the other of which shall be filed with the county clerk.

(2) The board shall, by appropriate resolution, order warrants drawn on the county treasury to the order of each political subdivision named in the itemized statement and in the amount of the political subdivision's share in the payment. The county clerk shall draw and sign the warrants, which shall also be signed by the chairman of the board.

(3) (a) Except as provided in subsection (3)(b), whenever such warrant is presented to the county treasurer, he shall debit the proper account in the fund and shall pay the amount of such warrant in full, without deduction, to the political subdivision presenting the same.

(b) The county treasurer may not honor such warrant unless it is endorsed by the president, chairman, or other presiding officer of the governing body of the political subdivision. The endorsement of any warrant by the presiding officer of the governing body of a political subdivision as provided in this section constitutes an approval of the agreement under which the payment was received. If any governing body of a political subdivision refuses to receive any warrant delivered pursuant to this section, the amount of the warrant shall be refunded to the United States by the county.

History: En. Sec. 7, Ch. 59, L. 1939; R.C.M. 1947, 84-5512; amd. Sec. 1, Ch. 252, L. 1979.

7-6-107. Procedure for subdivisions other than county to deal directly with United States. (1) If the United States declines to deal with a board with respect to any political subdivision whose jurisdictional limits are within or coextensive with the limits of the county or in the event the jurisdictional limits of a political subdivision lie in more than one county, that subdivision is hereby:

(a) authorized to make request of the United States for payments of such sums in lieu of taxes as the United States may agree to pay; and

(b) empowered to enter into agreements with the United States for the performance by the subdivision of services for the benefit of a project and for the payment by the United States to the subdivision, in one or more installments, of such sums in lieu of taxes.

(2) The amount of such payment may be based upon the cost of performing such services during the period of the agreement, after taking into consideration the benefits to be derived by the subdivision from the project, but shall not be in excess of the taxes which would result to the political subdivision for the period if the real property of the project within the political subdivision were taxable. Whenever any payment is received by a subdivision under an agreement entered into pursuant to this section, the governing body of such subdivision shall issue a receipt for such payment.

History: **En. Sec. 8, Ch. 59, L. 1939; R.C.M. 1947, 84-5513.**

All money received by a political subdivision pursuant to 7-6-106 or under 7-6-107 shall be deposited in such fund or funds or items of a fund or funds as may be designated in the agreement. If the agreement does not make such designation, the money received shall be deposited in such fund or funds or items of a fund or funds as the governing body of such subdivision shall by appropriate resolution direct.

History: **En. Sec. 9, Ch. 59, L. 1939; R.C.M. 1947, 84-5514.**

7-6-109. Requirement to provide services in absence of agreement. No provision of this part shall be construed to relieve any political subdivision of this state, in the absence of an agreement for payment of sums in lieu of taxes by the United States as provided in this part, of the duty of furnishing for the benefit of a project all services which the subdivision usually furnishes for property in and persons residing within the subdivision without a payment of sums in lieu of taxes.

History: **En. Sec. 10, Ch. 59, L. 1939; R.C.M. 1947, 84-5515.**

1981 Amendment: Increased the limitation from 18% to 22.5% in (1).

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-6-2212. Authorization to maintain petty cash fund. (1) The board of county commissioners, with the approval of the department of administration, may set aside a sum of not less than $100 or more than $1,000 out of the general fund, which shall be known as a petty cash fund, for the purpose of paying incidental expenses such as freight, express, postage, and other similar items which must be paid in cash at time of delivery.

(2) (a) In counties having a county auditor, the county auditor is responsible for expenditures from the petty cash fund.

(b) In counties not having a county auditor, the county clerk is responsible for expenditures from the petty cash fund.

(1) On the Wednesday before the second Monday in August, the county commissioners shall meet at the time and place designated in the notice provided for in 7-6-2316, at which time any taxpayer or resident of the county may appear and be heard for or against any part of the budget.

7-6-2318. Determination of projected fund cash flow following hearing. (1) Upon the conclusion of the hearing, the board shall first determine the amount estimated to accrue to each fund during the fiscal year from all sources except the taxation of property. In so doing, the board may not include any amount which it is anticipated may be received during the fiscal year from the payment of taxes which became delinquent during a preceding fiscal year.

(2) The board shall then determine separately the amount appropriated for and authorized to be spent for each item in the budget and shall specify the fund or funds against which warrants are to be drawn and issued for each item in the budget and shall specify the fund or funds against which warrants are to be drawn for the expenditures authorized. There may not be added to the amount to be appropriated and authorized to be spent for an item or to the total amount appropriated and authorized to be spent from any fund any amount or percentage because of anticipated loss of revenue by reason of the nonpayment of taxes levied for that fiscal year. The total expenditures authorized to be made from any fund, including the reserve added to them, may not exceed the aggregate of:

(a) the cash balance in the fund at the close of the preceding fiscal year;

(b) the amount of estimated revenues to accrue to the fund; and

(c) the amount which may be raised for the fund by a lawful tax levy during the fiscal year.

History: En. Sec. 4, Ch. 148, L. 1929; re-en. Sec. 4613.4, R.C.M. 1935; amd. Sec. 1, Ch. 98, L. 1937; amd. Sec. 1, Ch. 220, L. 1963; amd. Sec. 1, Ch. 178, L. 1969; amd. Sec. 1, Ch. 5, 2nd Ex. 7-6-2319. Determination of fund requirements to be met by tax levy. (1) Following the determinations required by 7-6-2318, the board shall determine the amount to be raised by tax levy for each fund by adding the cash balance in the fund at the close of the preceding fiscal year and the amount of the estimated revenues to accrue to the fund during the current fiscal year. It shall then deduct the total amount so obtained from the total amount of the appropriations and authorized expenditures from the fund as determined by the board. The amount remaining is the amount necessary to be raised for the fund by tax levy during the current fiscal year.

(2) The board may add to the amount necessary to be raised for any fund by tax levy during the current fiscal year an additional amount as a reserve to meet expenditures to be made from the fund during the months of July to November of the next fiscal year. The amount which may be so added to any fund as the reserve may not exceed one-third of the total amount appropriated and authorized to be spent from the fund during the current fiscal year, after deducting from the amount of the appropriations and authorized expenditures the total amount appropriated and authorized to be spent for election expenses and payment of emergency warrants.

(3) The total amount to be raised by tax levy for any fund during the current fiscal year, including the amount of the reserve and any amount for payment of election expenses and emergency warrants, may not exceed the total amount which may be raised for the fund by a tax levy which does not exceed the maximum levy permitted by law to be made for the fund.

7-6-2320. Final budget — approval and adoption. (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation or expenditure is authorized and the fund out of which it is to be paid, shall set out:

(a) the total amount appropriated and authorized to be spent from each fund;

(b) the cash balance in the fund at the close of the preceding fiscal year;

(c) the amount estimated to accrue to the fund from sources other than taxation;

(d) the reserve for the next fiscal year; and

(e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The board shall then by resolution approve and adopt the budget as finally determined and enter the budget at length in the official minutes of the board.

7-6-2321. Fixing of tax levy. (1) On the second Monday in August and after the approval and adoption of the final budget, the board of county commissioners shall fix the tax levy for each fund at a rate which will raise the amount set out in the budget as the amount necessary to be raised by tax levy for the fund during the current fiscal year. The taxable valuation of the county for the current fiscal year shall be the basis for determining the amount of the tax levy for each fund. Each tax levy shall be at a rate no higher than is required on that basis, without including any amount for anticipated tax delinquency, to produce the amount set out in the budget, without including any amount for anticipated tax delinquency, as being the amount to be raised by tax levy.

(2) The tax levy shall be made in the manner provided by 15-10-201.

History: En. Sec. 4, Ch. 148, L. 1929; re-en. Sec. 4613.4, R.C.M. 1935; amd. Sec. 1, Ch. 98, L. 1937; amd. Sec. 1, Ch. 220, L. 1963; amd. Sec. 1, Ch. 178, L. 1969; amd. Sec. 1, Ch. 5, 2nd Ex. 7-6-2322. Budget and tax levies to be supplied to department of administration. (1) The county clerk and recorder shall, not later than September 15, forward a full and detailed copy of the final budget, together with the tax levies, to the department of administration.

(2) If a county clerk and recorder fails to forward a copy of the budget to the department within that time, that department shall, before October 1, notify the board of county commissioners of the county that a copy of the budget has not been forwarded by the county clerk and recorder. The board must then withhold the county clerk and recorder's salary for September until the county clerk and recorder files with the board a receipt from the department showing the receipt of a copy.

(1) Except as provided in 7-6-2802, whenever the county has under its control any money for which there is no immediate demand, in any special fund subject to deposit, which in the judgment of the board of county commissioners it would be advantageous to invest in county warrants, the county commissioners are authorized in their discretion to direct the county treasurer to purchase county warrants of the same county thereafter issued against funds in which there is not sufficient money to pay such county warrants at the time of issuance. In case of such purchase, the county commissioners shall designate the fund or funds to be so invested and shall fix the amount thereof and shall also designate the county warrant or warrants which are to be purchased by such funds.

(2) The county clerk and recorder shall thereupon cause to be attached to or stamped, written, or printed upon the warrants so ordered to be purchased a notice to the effect that the county will exercise its preference right to purchase such warrant. The county treasurer shall thereafter, when such county warrant is presented to him, purchase the same out of the proper fund as designated by the board. The warrant so purchased shall be registered as other county warrants and bear interest as provided by law. When the designated amounts have been invested, the county treasurer shall notify the county clerk and recorder.

(3) Interest earned from such investments, including interest on the sale of bonds accrued in the period between the date of issue and the time of purchase, shall be credited to the sinking fund of the county, notwithstanding the provisions of 7-6-204(1).

(2) Interest earned from such investments, except interest on the sale of bonds accrued in the period between the date of issue and the time of purchase, which must be credited to the sinking fund, may be credited to the sinking fund of the county high school, provided that in the event construction of said buildings is delayed for a period longer than 6 months due to court action or other causes beyond the control of the trustees, the trustees may direct that interest earned be credited to the fund from which the money was withdrawn. 1981 Amendment: Increased the indebtedness limitation from 11% to 17% in (1).

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-6-4122. Manner of making payment for judgments against municipalities. (1) On the certificate of a justice of the peace or the clerk of the court in which any judgment is rendered, showing the amount of the judgment and the date of its entry, the council must by ordinance direct that the amount of such judgment be paid out of the general fund and that a warrant issue therefor on the general fund if there is sufficient money therein, exclusive of the appropriations for the current fiscal year, to pay the same.

(2) (a) The council must at the proper times levy and cause to be collected a tax on all the property of the city or town for the payment of such judgment within a period of 3 years from its presentation if there is not sufficient money as aforesaid in the general fund to pay the same.

(b) If any judgment rendered against any town or city exceeds the sum of $10,000, the council may fund the same as other indebtedness against the city or town is funded.

(b) the amount of estimated revenues to accrue to the fund; and

(c) the amount which may be raised for the fund by a lawful tax levy during the fiscal year.

History: En. Sec. 6, Ch. 121, L. 1931; re-en. Sec. 5083.6, R.C.M. 1935; amd. Sec. 1, Ch. 129, L. 1941; amd. Sec. 51, Ch. 348, L. 1974; amd. Sec. 14, Ch. 213, L. 1975; R.C.M. 1947, 11-1406(2).

7-6-4230. Determination of fund requirements to be met by tax levy. (1) Following the determinations required by 7-6-4229, the council shall determine the amount to be raised for each fund for which a tax levy is to be made by adding the cash balance in excess of outstanding unpaid warrants at the close of the preceding fiscal year and the amount of the estimated revenues, if any, to accrue to the fund during the current fiscal year. It shall then deduct the total amount so obtained from the total amount of the appropriations and authorized expenditures from the fund as determined by the council in the budget adopted and approved. The amount remaining is the amount necessary to be raised for any fund by tax levy during the current fiscal year.

(2) The council may add to the amount necessary to be raised for any fund by tax levy during the current fiscal year an additional amount as a

reserve to meet expenditures to be made from the fund during the months of July to November of the next fiscal year. The amount added to any fund as a reserve may not exceed one-third of the total amount appropriated and authorized to be spent from the fund during the current fiscal year, after deducting from the amount of the appropriations and authorized expenditures the total amount appropriated and authorized to be spent for election expenses and payment of emergency and other outstanding warrants.

(3) The total amount to be raised by tax levy for any fund during the current fiscal year, including the amount of the reserve, must not exceed the total amount which may be raised for the fund by a tax levy which does not exceed the maximum levy permitted by law to be made for the fund.

History: En. Sec. 6, Ch. 121, L. 1931; re-en. Sec. 5083.6, R.C.M. 1935; amd. Sec. 1, Ch. 129, L. 1941; amd. Sec. 51, Ch. 348, L. 1974; amd. Sec. 14, Ch. 213, L. 1975; R.C.M. 1947, 11-1406(3).

7-6-4231. Final budget — approval and adoption. (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation is made or expenditure authorized and the fund out of which it is to be paid, shall set out:

(a) the total amount appropriated and authorized to be spent from each fund;

(b) the cash balance in excess of outstanding unpaid warrants at the close of the preceding fiscal year;

(c) the amount estimated to accrue to the fund from sources other than taxation;

(d) the reserve for the next fiscal year; and

(e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The council shall then by resolution approve and adopt the budget as finally determined, and the clerk shall enter it at length in the official minutes of the council.

History: En. Sec. 6, Ch. 121, L. 1931; re-en. Sec. 5083.6, R.C.M. 1935; amd. Sec. 1, Ch. 129, L. 1941; amd. Sec. 51, Ch. 348, L. 1974; amd. Sec. 14, Ch. 213, L. 1975; R.C.M. 1947, 11-1406(4).

7-6-4232. Fixing of tax levy. (1) On the second Monday in August and after the approval and adoption of the final budget, the council shall fix the tax levy for each fund at a rate, not exceeding limits prescribed by law, which will raise the amount set out in the budget as the amount necessary to be raised by tax levy for that fund during the current fiscal year. The taxable valuation of the city for the current fiscal year shall be the basis for determining the amount of the tax levy for each fund, and each tax levy shall be at a rate no higher than is required on that basis, without including any amount for anticipated tax delinquency, to raise the amount set out in the budget.

(2) If the council considers that a levy made for a bond sinking or interest fund will not provide a sufficient amount to pay all bond principal and interest becoming due during the current fiscal year or within 6 months after the current fiscal year because of anticipated tax delinquency, the council may fix the levy at a rate it considers necessary to raise the amount for making the payments of principal and interest over and above the anticipated tax delinquency.

(3) Each levy shall be made in the manner provided by 15-10-201.

History: En. Sec. 6, Ch. 121, L. 1931; re-en. Sec. 5083.6, R.C.M. 1935; amd. Sec. 1, Ch. 129, L. 1941; amd. Sec. 51, Ch. 348, L. 1974; amd. Sec. 14, Ch. 213, L. 1975; R.C.M. 1947, 11-1406(5); amd. Sec. 31, Ch. 252, L. 1979.

7-6-4233. Budget and tax levies to be supplied to department of administration. (1) The city clerk shall, not later than September 15, forward a complete copy of the final budget, together with the tax levies, to the department of administration.

(2) If a city clerk fails to forward the copy of the budget to the department within the time required, the department shall, before October 1, notify the mayor and council of the city that a copy of the budget has not been forwarded by the city clerk. The council must then withhold from the city clerk his salary or compensation for the month of September until the city clerk presents the council with a notice from the department that the copy of the budget has been received.

(1) The estimates of expenditures, itemized and classified as required in 7-6-4224 and 7-6-4225 and as finally fixed and adopted by said council, shall constitute the appropriations for the municipality for the fiscal year intended to be covered thereby.

(1) Upon a resolution adopted by the council at a regular or special meeting and entered upon its minutes, transfers or revisions within the general class of salaries and wages and of maintenance and support may be made, provided that no salary shall be increased above the amount appropriated therefor.

(2) (a) Except as provided in subsection (2)(b), transfers between the general classes provided in 7-6-4225 shall not be permitted.

7-6-4237. Use of bond proceeds and borrowed money. (1) Money received from borrowing shall be used for no other purpose than that for which borrowed, except that if any surplus remains after the accomplishment of the purpose for which borrowed, it shall be used to redeem the municipal debt.

(2) Where any budget shall contain an expenditure program to be financed from a bond issue to be authorized thereafter, no expenditure shall be made or obligation incurred thereunder until such bonds have been duly authorized and the proceeds are available.

(3) The authorization of a bond issue by the electors or by the governing body of the city where an election is not required shall constitute an appropriation of the bond proceeds to the purpose for which the bonds are authorized, whether or not such purpose is included in a budget previously adopted, but no warrants shall be drawn, expenditures made, or obligations incurred in excess of such appropriation except pursuant to an additional appropriation included in a regularly adopted budget.

7-6-4239. Procedure when there exist unpaid and outstanding warrants at end of fiscal year. (1) When at the end of any fiscal year any city has warrants outstanding and registered against any fund, other than warrants issued by reason of any emergency budget or budgets, and is without sufficient cash in such fund to pay the same with interest thereon, the city council must, in the annual budget for such fund for the immediately following fiscal year, make an appropriation to pay such warrants or a substantial part thereof with the interest thereon. The amount of such appropriation shall be fixed and determined by the city council but must, in any event, be at least 10% of the amount which the levy for the fund will produce if the amount of such outstanding and registered warrants, with interest thereon, equals or exceeds such amount.

(2) When at the end of any fiscal year any city has outstanding registered emergency warrants against any fund issued by reason of any emergency budget or budgets and is without sufficient cash in such fund to pay the same with interest thereon, the city council must, in the annual budget for such fund for the immediately following fiscal year, make an appropriation sufficient to pay such warrants with interest thereon.

(3) None of the provisions of this section shall be construed as authorizing a levy to be made for any fund in excess of the limitation prescribed by existing law or acts hereafter enacted amendatory thereof.

History: En. Sec. 1, Ch. 53, L. 1943; re-en. Sec. 5083.6A, R.C.M. 1935; R.C.M. 1947, 11-1407.

7-6-4240. Lapse of appropriation. (1) Subject to the provisions of subsection (2), all appropriations, other than the appropriations for uncompleted improvements in progress of construction, shall lapse at the end of the fiscal year.

(2) The appropriation accounts shall remain open for a period of 30 days after the end of the fiscal year for the payment of claims incurred against such appropriations prior to the close of the fiscal year and remaining unpaid. After such period shall have expired, all appropriations, except as hereinbefore provided regarding uncompleted improvements, shall become null and void, and any lawful claim presented thereafter against any such appropriation shall be provided for in the ensuing budget.

History: En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(7).

7-6-4241. Clerk's report concerning expenditures, liabilities, and appropriations. At the first meeting of the council in each month, the clerk shall submit to the council a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding calendar month and like information for the whole of the fiscal year to the first day of the month in which such report is made, together with the unexpended balance of each appropriation. He shall also set forth the receipts from taxes and in detail the receipts from all other sources by each fund for the same period.

History: En. Sec. 9, Ch. 121, L. 1931; re-en. Sec. 5083.9, R.C.M. 1935; R.C.M. 1947, 11-1410.

7-6-4242 through 7-6-4250 reserved.

7-6-4251. Procedure to make expenditures and incur liabilities in case of serious emergencies. Upon the happening of any emergency caused by fire, flood, explosion, storm, earthquake, epidemic, riot, or insurrection; for the immediate preservation of order or of public health; for the restoration of a condition of usefulness of any public property the usefulness of which has been destroyed by accident; for the relief of a stricken community overtaken by calamity; in settlement of approved claims for personal injuries or property damages, exclusive of claims arising from the operation of any public utility owned by the municipality; or to meet mandatory expenditures required by law, the council may, upon adoption by unanimous vote of all members present at any meeting (the time and place of which all members shall have had reasonable notice) of a resolution stating the facts constituting the emergency, an estimate of the amount required to be expended, and the fund against which emergency warrants are to be issued and upon entering the same upon their minutes, make the expenditures or incur the liabilities necessary to meet such emergency without further notice or hearing.

History: **En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(4).**

7-6-4252. Procedure to make expenditures and incur liabilities in case of other emergencies. (1) In a public emergency other than those described in 7-6-4251 and which could not reasonably have been foreseen at the time of making the budget, the council, by unanimous vote of the members present at any meeting (the time and place of which all of the members shall have had reasonable notice), shall adopt and enter upon their minutes a resolution stating the facts constituting the emergency, the estimated amount of money required to meet the emergency, and the fund against which emergency warrants shall be drawn.

(2) The council shall publish the resolution, together with a notice that a public hearing will be held on the resolution at the time and place designated in the notice, once in the official newspaper of the municipality and, if there is none, then in a newspaper of general circulation in the county in which the municipality is situated. The hearing may not be less than 1 week after the date of publication.

(3) Any taxpayer or resident of the municipality may appear at the hearing and be heard for or against the expenditure of money for the alleged emergency.

(4) (a) Upon the conclusion of the hearing, if the council approves the emergency expenditure, it shall make and enter upon its official minutes, by unanimous vote of all of the members of the council present at the meeting, an order setting forth the facts constituting the emergency, together with the amount of expenditure authorized therefor by them and the fund against which emergency warrants shall be drawn. Subject to the limitations of subsection (4)(b), the order is lawful authorization for them to expend such amount, but no more, for such purpose.

(b) No expenditure may be made or liability incurred pursuant to the order until 5 days, exclusive of the day of entry of the order, elapse.

History: **En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(part); amd. Sec. 32, Ch. 252, L. 1979.**

7-6-4253. Appeal of order for certain emergency expenditures. (1) During the 5-day period provided by 7-6-4252(4)(b), any taxpayer or resident of the municipality feeling aggrieved by the order issued pursuant to 7-6-4252(4) may appeal therefrom to the district court for the county in which the municipality is situated by filing with the clerk of the court a verified petition, a copy of which has theretofore been served upon the clerk of the municipality. The petition shall set forth in detail the objections of the petitioner to the order, giving reasons why the emergency does not exist.

(2) Until final determination of the matter by the court, the service and filing of the petition operates to suspend the emergency order and the authority to make any expenditure or incur any liability thereunder.

(3) Upon the filing of the petition, the court shall immediately fix a time for hearing the petition, which time shall be at the earliest convenient time. At the hearing the court shall hear the matter de novo and may take such testimony as it considers necessary. The court's proceedings shall be summary and informal, and its determination as to whether an emergency such as is contemplated within the meaning and provisions of this part exists or not and whether the expenditure authorized by the order is excessive or not is final.

History: En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(part); amd. Sec. 33, Ch. 252, L. 1979.

7-6-4254. Limitation on amount of emergency budgets and appropriations. (1) The total of all emergency budgets and appropriations made therein in any one year and to be paid from any city fund may not exceed 38% of the total amount which could be produced for such city fund by a maximum levy authorized by law to be made for such fund, as shown by the last completed assessment roll of the county.

(2) The term "taxable property", as used herein, means the percentage of the value at which such property is assessed and which percentage is used for the purposes of computing taxes and does not mean the assessed value of such property as the same appears on the assessment roll.

History: En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(3); amd. Sec. 42, Ch. 614, L. 1981.

Compiler's Comments

1981 Amendment: Substituted "may not exceed 38% of the total amount" for "shall not exceed 25% of the total amount" in the middle of (1).

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-6-4255. Use of emergency warrants. (1) All emergency expenditures shall be made by the issuance of emergency warrants drawn against the fund or funds properly chargeable with such expenditures. The city treasurer is authorized and directed to pay such emergency warrants with any money in such fund or funds available for such purpose. If at any time there shall not be sufficient money available in such fund or funds to pay such warrants, then such warrants shall be registered, bear interest, and be called in for payment in the manner provided by law for other city warrants.

(2) The clerk shall include in his annual tabulation to be submitted to the council the total amount of emergency warrants issued during the preceding fiscal year. Subject to the provisions of subsection (3), the council shall, in their tax levies, include a levy for each fund sufficient to raise an

amount equal to the total amount of such warrants, if there be any, remaining unpaid at the close of such preceding fiscal year because of insufficient money in such fund to pay the same.

(3) (a) No levy shall be made for any fund in excess of the levy authorized by law to be made therefor.

(b) The council may submit the question of funding such emergency warrants at an election as provided by law. If at any such election the issuing of such funding bonds be authorized, it shall not then be necessary for any levy to be made for the purpose of paying such emergency warrants.

History: En. Sec. 8, Ch. 121, L. 1931; re-en. Sec. 5083.8, R.C.M. 1935; amd. Sec. 2, Ch. 53, L. 1943; R.C.M. 1947, 11-1409(5), (6).

Part 43

Claims Against Municipalities

7-6-4301. Presentation of claims against municipality. (1) All accounts and demands against a city or town must be presented to the council, duly itemized. These claims must be presented with all necessary and proper vouchers within 1 year from the date the same accrued. No action may be maintained against the city or town for or on account of any demand or claim against the city or town until such demand or claim has first been presented to the council.

(2) All claims against a city or town shall contain the following statement: "I certify that this claim is correct and just in all respects and that payment or credit has not been received." Claims need not be accompanied by affidavit by the party or his agent.

(3) Any claim or demand not so presented within this time is forever barred, and the council has no authority to allow any account or demand not so presented.

7-6-4302. Payment of claims by warrant. Except as provided in 7-6-4121, all accounts and demands against a city or town must be submitted to the council and, if found correct, must be allowed and an order must be made that the demand be paid. The mayor must draw a warrant upon the treasury in favor of the owner, specifying for what purpose and by what authority it is issued and out of what funds it is to be paid. The city treasurer or town clerk must pay the warrant out of the proper fund.

No defense based upon any such defect, irregularity, or informality may be interposed in any action unless brought within this period. This subsection applies but is not limited to any action and defense in which the issue is raised whether a voted debt or liability has carried by the required majority vote of the electors qualified and offering to vote thereon.

7-7-107. Limitation on amount of bonds for city-county consolidated units. (1) Except as provided in 7-7-108, no city-county consolidated local government may issue bonds for any purpose which, with all outstanding indebtedness, may exceed 39% of the taxable value of the property therein subject to taxation as ascertained by the last assessment for state and county taxes.

(2) The issuing of bonds for the purpose of funding or refunding outstanding warrants or bonds is not the incurring of a new or additional indebtedness but is merely the changing of the evidence of outstanding indebtedness.

Compiler's Comments

1981 Amendment: Increased the bond indebtedness limitation from 27% to 39% of the taxable value in (1).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-7-108. Authorization for additional indebtedness for water or sewer systems. (1) For the purpose of constructing a sewer system or procuring a water supply or constructing or acquiring a water system for a city-county consolidated government which shall own and control such water supply and water system and devote the revenues therefrom to the payment of the debt, a city-county consolidated government may incur an additional indebtedness by borrowing money or issuing bonds.

(2) The additional indebtedness which may be incurred by borrowing money or issuing bonds for the construction of a sewer system or for the procurement of a water supply or for both such purposes may not in the aggregate exceed 10% over and above the 39% referred to in 7-7-107 of the taxable value of the property therein subject to taxation as ascertained by the last assessment for state and county taxes.

History: En. 16-2010.1 by Sec. 1, Ch. 175, L. 1975; amd. Sec. 39, Ch. 566, L. 1977; R.C.M. 1947, 16-2010.1(part); amd. Sec. 44, Ch. 614, L. 1981.

1981 Amendment: Increased the bond indebtedness limitation from 27% to 39% of the taxable value in (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. 7-7-109. Sale of notes in anticipation of federal or state revenue. (1) As used in this section, the following definitions apply:

(a) "Bonds" means bonds, notes, warrants, debentures, certificates of indebtedness, and all instruments or obligations evidencing or representing indebtedness, or evidencing or representing the borrowing of money, or evidencing or representing a charge, lien, or encumbrance on specific revenues, special assessments, income, or property of a political subdivision, including all instruments or obligations payable from a special fund.

(b) "Political subdivision" means a county, city, town, school district, irrigation district, special improvement district, or any other political subdivision of the state, but does not include the state or any board, agency, or commission of the state.

(c) "Governing body" means the board, council, commission, or other body charged with the general control of the issuance of bonds of a political subdivision.

(2) When all conditions exist precedent to the offering for sale of bonds of a political subdivision in any amount and for any purpose authorized by law and the political subdivision has applied for a grant or loan of state or federal funds to aid in payment of costs incurred or to be incurred for the authorized purpose, its governing body may by resolution issue and sell notes in anticipation of the receipt of the grant or loan, in an amount not exceeding the total amount of bonds authorized and maturing within not more than 3 years from the date such notes are issued.

(3) The proceeds of the grant or loan, when received, shall be credited to the debt service fund for the notes as may be needed for their payment, with interest, when due.

(4) Any amount of the notes which cannot be paid at maturity from the proceeds of the grant or loan or from any other funds appropriated by the governing body for the purpose shall be paid from the proceeds of bonds to be issued and sold before the maturity date, or if sufficient funds are not available for payment in full of the notes at maturity, those bondholders may require the issuance, in exchange, of bonds bearing interest at the maximum rate permitted by law. The bonds so issued are secured and subject to the terms and conditions provided by the law authorizing their issuance. Notes and bonds may be issued as provided in this section regardless of the amount authorized if the amount which may legally be issued is less than the commitment for which the grant or loan is made. Before the notes or bonds are issued, the political subdivision must receive a written commitment for a grant or loan in an amount equal to the remaining estimated costs and must by resolution provide for the fulfillment of the conditions of the commitment.

(b) When any such board shall fail or neglect to perform any such duty, no minority member of said board who shall have moved said board or voted in favor of a performance of such duty shall be held liable.

(2) Any person or persons who shall take, use, or appropriate or permit to be taken, used, or appropriated any portion of any such fund as herein specified for any purpose other than that permitted by law shall be jointly

General Provisions Related to Counties

7-7-2101. Limitation on amount of county indebtedness. (1) No county may become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 23% of the taxable value of the property therein subject to taxation as ascertained by the last assessment for state and county taxes previous to the incurring of such indebtedness.

(2) No county may incur indebtedness or liability for any single purpose to an amount exceeding $150,000 without the approval of a majority of the electors thereof voting at an election to be provided by law, except as provided in 7-21-3413 and 7-21-3414.

History: En. Sec. 4196, Pol. C. 1895; re-en. Sec. 2876, Rev. C. 1907; re-en. Sec. 4447, R.C.M. 1921; re-en. Sec. 4447, R.C.M. 1935; amd. Sec. 1, Ch. 486, L. 1973; amd. Sec. 1, Ch. 19, L. 1975; amd. 1981 Amendments: Chapter 134 increased indebtedness amount in (2) from $40,000 to $150,000.

Chapter 614 increased the indebtedness limitation from 18% to 23% of the taxable value in (1).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval." Approved May 7, 1981.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-7-2102. Effect of exceeding limits on indebtedness. All bonds or obligations in excess of such amount given by or on behalf of the county are void.

7-7-2103. Restriction on use of county credit by private persons. No county must ever give or loan its credit in aid of or make any donation or grant, by subsidy or otherwise, to any individual, association, or corporation or become a subscriber to or a shareholder in any company or corporation or a joint owner with any person, company, or corporation.

7-7-2104. Replacement of lost bond, warrant, or coupon. (1) The board may issue a duplicate warrant, bond, or coupon whenever any warrant, bond, or coupon drawn by it upon the treasury of the county is lost or destroyed. The duplicate warrant, bond, or coupon must be in the same form as the original and will take the place in order of registration and payment of and supersede the original bond, warrant, or coupon. It must have the word "duplicate" plainly printed across its face.

(2) No duplicate warrant, bond, or coupon may be issued under this section unless the person entitled to receive the duplicate deposits with the county treasurer a bond in double the amount for which the duplicate warrant, bond, or coupon is issued, conditioned to render the county and its officers harmless from all loss, costs, or damages by reason of issuing the duplicate.

(3) No bond of indemnity is required:

(a) when a payee is the state of Montana or any agency, instrumentality, or officer of the state;

(b) when the owner or custodian is the state or any agency or officer thereof;

(c) when the owner or custodian is a bank, savings and loan association, admitted insurer, or trust company whose financial condition is regulated by the state;

(e) when it can be established that a county warrant, bond, or coupon has been mailed to an incorrect payee.

(4) If the owner or custodian applies under the provisions of subsection (3)(d) or (3)(e), a stop-payment order shall be placed on the original warrant, bond, or coupon by the county treasurer.

(5) If the owner or custodian applies under the provisions of subsection (3)(c), (3)(d), or (3)(e), the application shall include an agreement to indemnify and hold the county or its officers and employees harmless from any loss resulting from the issuance of a duplicate warrant, bond, or coupon. Any loss incurred in connection with the issuance of a duplicate warrant shall be charged against the account from which the payment was derived.

7-7-2106. Procedure if original bond, warrant, or coupon is presented. It is the duty of the county treasurer, upon the production to him of any original bond, warrant, or coupon by the lawful owner or holder thereof, to assign by endorsement and to deliver to him the surety bond mentioned in 7-7-2104. Such owner or holder may maintain an action in his own name upon such surety bond for the recovery of any money paid upon such duplicate, but the delivery of such surety bond does not relieve or exonerate the county from the payment of the amount specified therein upon a demand and refusal of the sureties named in the indemnifying surety bond to pay the same.

(2) Interest earned from such investments, including interest on the sale of bonds accrued in the period between the date of issue and the time of purchase, shall be credited to the sinking fund of the county, notwithstanding the provisions of 7-6-204(1).

The board of county commissioners of every county of the state is hereby vested with the power and authority to issue, negotiate, and sell coupon bonds on the credit of the county, as more specifically provided in this part, for any of the following purposes:

(1) acquiring land for sites and grounds for a public building or buildings of any kind within the county and under its control, which the county has lawful authority to acquire or erect, control, and maintain;

(2) acquiring land for any other public use or activity within the county, under its control and authorized by law;

(3) constructing, erecting, or acquiring by purchase necessary public buildings within the county, under its control and authorized by law; making additions to and repairing buildings; and furnishing and equipping the same;

(6) funding, paying, and retiring outstanding county warrants lawfully issued against the county general fund, road fund, bridge fund, or poor fund when:

(a) there is not sufficient money in the fund against which such warrants are drawn to pay and retire such warrants; and

(b) the levying of taxes sufficient to pay and retire such warrants within a period of 3 years would, in the judgment of the board, work a hardship and be an undue burden upon the taxpayers of the county.

7-7-2202. Authority to issue general obligation bonds to satisfy judgments. (1) The board of county commissioners of every county of the state is hereby vested with the power and authority to issue, negotiate, and sell coupon bonds on the credit of the county, as more specifically provided in this part, for the purpose of funding, paying in full, or compromising, settling, and satisfying any judgment which may have been rendered against the county in a court of competent jurisdiction when:

(a) there are not sufficient funds available to pay such judgment; and

(b) sufficient money cannot be raised to satisfy such judgment by an annual tax levy of 10 mills levied on all the taxable property within the county through a period of 3 years.

(2) The resolution providing for the issue of such bonds must recite the facts concerning the judgment to be funded and the terms of any compromise agreement which may have been entered into between the board and the judgment creditor.

7-7-2203. Limitation on amount of bonded indebtedness. (1) Except as provided in subsections (2) and (3), no county may issue general obligation bonds for any purpose which, with all outstanding bonds and warrants except county high school bonds and emergency bonds, will exceed

11.25% of the taxable value of the property therein, to be ascertained by the last assessment for state and county taxes prior to the proposed issuance of bonds.

(2) A county may issue bonds which, with all outstanding bonds and warrants, will exceed 11.25% but will not exceed 37% of the taxable value of such property, when necessary to do so, for the purpose of acquiring land for a site for county high school buildings and for erecting or acquiring buildings thereon and furnishing and equipping the same for county high school purposes.

(3) The foregoing limitation shall not apply to refunding bonds issued for the purpose of paying or retiring county bonds lawfully issued prior to January 1, 1932.

History: **En. Sec. 3, Ch. 188, L. 1931; amd. Sec. 1, Ch. 115, L. 1933; re-en. Sec. 4630.3, R.C.M. 1935; amd. Sec. 2, Ch. 135, L. 1937; amd. Sec. 12-103, Ch. 197, L. 1965; amd. Compiler's Comments

1981 Amendment: Increased 9% to 11.25% wherever it appears; and increased 29% to 37% in (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

Effective date: Sec. 3, Ch. 332, L. 1979, provided: "This act is effective on passage and approval." Approved March 27, 1979.

7-7-2204. Effect of issuing bonds in excess of limitations on amount. All bonds issued by any county in excess of the limitations fixed in 7-7-2203 shall be null and void.

7-7-2205. Nature of general obligation bonds. 7-7-2206. Term of general obligation bonds. (1) No bonds issued for any of the purposes designated in 7-7-2201(1) through (4) shall be for a longer term than 20 years.

(2) No bonds issued for any of the purposes designated in 7-7-2201(5) and (6) shall be for a longer term than 10 years.

(3) Bonds issued for any of the purposes designated in 7-7-2202 shall not be for a longer term than will be required to repay the bonds with interest through a tax levy of 10 mills on all the property within the county subject to taxation, and the term shall not exceed 20 years.

(4) The length of the term required shall be estimated and calculated by the board of county commissioners, based upon the percentage of valuation of the property upon which taxes are levied and paid within such county as ascertained from the last completed assessment for state and county taxes, taking into account probable changes in the taxable valuation and losses in tax collections. Irrespective of any miscalculation by the county commissioners in fixing the term of the bonds, the county must from year to year make a sufficient tax levy to pay the interest and installments on principal on the bonds as the same fall due.

7-7-2210. Amortization bonds. The term "amortization bonds", as used in this part, is hereby defined as meaning that form of bond on which a part of the principal is required to be paid each time interest becomes due and payable, which part payment of principal increases with each following installment in the same amount the interest payment decreases, so that the combined amount payable on principal and interest is the same on each interest payment date; provided, however, that the final payment may vary in amount from the other payments to the extent resulting from disregarding fractional cents in the other payments.

7-7-2211. Serial bonds. The term "serial bonds", as used in this part, is hereby defined as being a bond issue payable in equal annual installments, one installment consisting of one or more bonds, becoming due and payable each year (the amount to be paid and redeemed each year being determined by dividing the total amount of the bonds to be issued by the total number of years the issue is to run), so that the total amount of principal to be paid each year the bonds are to run will be the same; provided, however, that the installments becoming due and payable the first year or the first and second years may vary in amount from the others to the extent resulting from fixing the amount of each bond of the other installments at $100, $500, or $1,000, as may be determined by the board of county commissioners.

(1) In order to issue bonds for any of the purposes referred to in 7-7-2221 and 7-7-2311, it shall only be necessary for the board of county commissioners, at a regular or duly called special meeting, to pass and adopt a resolution setting forth the facts in regard to the indebtedness to be paid or bonds to be refunded, showing the reason for issuing such bonds and fixing and determining the details thereof, and give notice of the sale thereof in the same manner that notice is required to be given of the sale of bonds authorized at an election and to then follow the procedure prescribed in this part for the sale and issuance of such bonds.

(2) All bonds sold without submitting the question of their issue to an election, as authorized in 7-7-2221 and 7-7-2311, shall be sold at open competitive bidding, but all sealed and written bids submitted for the purchase of such bonds shall be considered the same as open bids.

(2) No bond election may be called unless the board of county commissioners receives a petition, delivered and certified by the election administrator, asking that such election be held and the question be submitted. (2) All taxes collected for interest and principal on county bonds shall be placed to the credit of the sinking fund for which the taxes were levied.

(3) Interest from investment of money in a sinking fund account may, in the discretion of the board of county commissioners, be used as it accrues to fulfill or complete the specific project for which the bonds were issued.

(4) The sinking fund shall be administered as provided in 7-7-123, 7-7-124, and 7-7-2270.

History: En. Sec. 27, Ch. 188, L. 1931; re-en. Sec. 4630.27, R.C.M. 1935; amd. Sec. 1, Ch. 103, L. 1973; R.C.M. 1947, 16-2041(part); amd. Sec. 3, Ch. 256, L. 1979.

7-7-2263. Interest on late payments of principal and interest on bonds held by state. Any and all installments of interest or principal on bonds held by the state and not promptly paid at the office of the state treasurer when due shall draw interest at the rate of 6% per annum from the date due until actually paid, irrespective of the rate of interest on the bonds themselves.

History: En. Sec. 28, Ch. 188, L. 1931; re-en. Sec. 4630.28, R.C.M. 1935; R.C.M. 1947, 16-2042(part).

7-7-2264. Statement as to amount of principal and interest due and payable on bonds. (1) Whenever any county has any issue or series of bonds outstanding and there are not sufficient funds on hand available for the payment of the full amount of the interest and principal thereof, the county treasurer of such county shall, between the first and fifth days of August in each year while such bonds or any thereof remain outstanding and unpaid, make out and deliver to the board of county commissioners of such county a statement.

(2) The statement required by subsection (1) shall show the amount required to be raised by tax levy during the then-current fiscal year for payment of interest and principal becoming due and payable during such fiscal year or within 90 days thereafter on each issue or series of bonds outstanding. If no part of the principal of any such issue or series of bonds will become due and payable within such time, then such statement shall show the amount required to be raised by tax levy during such year for payment of interest becoming due during such time and to place the proper amount in the sinking fund for the payment of the principal of such bonds when they become due, as provided in 7-7-2265.

History: **En. Sec. 24, Ch. 188, L. 1931; re-en. Sec. 4630.24, R.C.M. 1935; R.C.M. 1947, 16-2038.**

7-7-2265. Tax levy for payment of bonds. (1) The board of county commissioners, at the time of making the levy of taxes for county purposes, must levy a separate and special tax upon all taxable property in the county for the payment of interest on and principal of each series or issue of bonds outstanding. The tax levy for any one series or issue of bonds must be entirely separate and distinct from such levy for any other series or issue of bonds.

(2) The levy made for the purpose of paying interest on and principal of each series or issue of bonds must be high enough to raise an amount sufficient to pay all interest on and so much of the principal, if any, of such bonds as will become due and payable during the then-current fiscal year or within 90 days thereafter, as such amount is shown by the treasurer's statement provided by 7-7-2264. If no part of the principal of such bonds will become due and payable within such time, then such tax levy must be high enough to raise an amount sufficient to pay all interest which will become due and payable during the current fiscal year or within 90 days thereafter and to also place in the sinking fund for such issue or series of bonds, for the payment of the principal thereof when the same becomes due, an amount not less than a sum produced by dividing the whole amount for which such series or issue of bonds were originally issued by the number of years for which the same were originally issued to run.

History: **En. Sec. 25, Ch. 188, L. 1931; re-en. Sec. 4630.25, R.C.M. 1935; R.C.M. 1947, 16-2039.**

7-7-2266. Procedure in case of insufficient tax levy — individual liability of county commissioners. (1) If the board of county commissioners of any county shall fail, neglect, or refuse in any year to make a levy sufficient to pay the interest on and principal of any issue or series of bonds as required by the provisions of 7-7-2265, the holder of any bond of such issue or series or any taxpayer paying taxes on property situated in such county may apply to the district court of the county issuing such bonds for a writ of mandate to compel the board of such county to make a proper and sufficient levy for such purposes.

(2) If, upon the hearing of such application, it shall appear to the satisfaction of the court that the board has failed, neglected, or refused to make any levy whatever for such purposes or has made a levy but that the same is insufficient to raise the amount required to be raised for such purposes under the provisions of 7-7-2265, the court shall determine the amount of the deficiency and shall issue a writ of mandate directed to and requiring such

board, at the next meeting thereof for the purpose of making and fixing county levies, to raise the amount of such deficiency. This levy shall be in addition to the levy required to be made for the then-current fiscal year.

(3) Any costs which may be allowed or awarded the petitioner in any such proceeding shall be paid by the members of the board and shall not be a charge against such county.

History: En. Sec. 26, Ch. 188, L. 1931; re-en. Sec. 4630.26, R.C.M. 1935; R.C.M. 1947, 16-2040.

7-7-2267. Redemption of bonds held by state. (1) Whenever there is available money in any sinking and interest fund over and above the amount required for payment of principal and interest becoming due on the next interest payment date and sufficient to pay and redeem one or more of the outstanding bonds, or coupons in the case of amortization bonds, of the issue or series to which such sinking and interest fund belongs and whenever such bonds are held by the state of Montana, the county treasurer must apply such available money in payment of as many of such bonds, or coupons in the case of amortization bonds, as the same will pay.

(2) Not less than 15 days before the next interest payment date, the county treasurer must give notice to the board of investments that on such interest payment date, such bond or bonds or coupon or coupons will be paid. The county treasurer, before such interest payment date, must remit to the state treasurer the amount required to pay such bond or bonds, with the interest thereon, or amortization bond coupon or coupons.

(3) Upon receipt of such amount, the state treasurer must cancel such bond or bonds and all unpaid interest coupons attached thereto and the coupons paid, in the case of amortization bonds, and return the same, with his receipt, to the county treasurer.

History: En. Sec. 29, Ch. 188, L. 1931; amd. Sec. 1, Ch. 152, L. 1933; re-en. Sec. 4630.29, R.C.M. 1935; amd. Sec. 1, Ch. 46, L. 1939; amd. Sec. 100, Ch. 326, L. 1974; R.C.M. 1947, 16-2043(part).

7-7-2268. Repemption of bonds held by one other than state. (1) Whenever there is available money in any sinking and interest fund over and above the amount required for payment of principal and interest becoming due on the next interest payment date and sufficient to pay and redeem one or more outstanding optional bonds, or coupons in the case of amortization bonds, of the issue or series to which such sinking and interest fund belongs, which bonds or coupons are not yet due but are then redeemable or will become redeemable on the next interest payment date, and whenever such bonds or coupons are not held by the state of Montana, the county treasurer must apply such available money in payment and redemption of as many of such bonds, or coupons in the case of amortization bonds, as the same will pay and redeem.

(2) The county treasurer must give notice to the holder of such bonds or coupons, if known to him, or to any bank or financial institution at which such bonds or coupons are payable, at least 15 days before the next interest payment date, that such bonds and coupons will be paid and redeemed on such date. The county treasurer must also publish in the official newspaper of the county, once a week for 2 consecutive weeks immediately preceding such interest payment date, a notice that such bonds or coupons have been called in for redemption and will be paid in full on such interest payment date.

(3) If such bonds or coupons are payable at some bank or financial institution, the county treasurer must remit to such bank or financial institution, before such interest payment date, an amount sufficient to pay and redeem such bonds or coupons. If such bonds are not presented for payment and redemption on such interest payment date, interest thereon shall cease on such date.

History: En. Sec. 29, Ch. 188, L. 1931; amd. Sec. 1, Ch. 152, L. 1933; re-en. Sec. 4630.29, R.C.M. 1935; amd. Sec. 1, Ch. 46, L. 1939; amd. Sec. 100, Ch. 326, L. 1974; R.C.M. 1947, 16-2043(part).

7-7-2269. Order of redemption of bonds. All bonds or amortization bond coupons paid and redeemed under the provisions of 7-7-2267 or 7-7-2268 must be paid and redeemed in the numerical order in which the same were issued or become due.

7-7-2270. Authority to purchase outstanding bonds. Whenever there is available money in any sinking fund over and above the amount required for payment of the principal and interest becoming due on the next interest payment date and sufficient to pay and redeem one or more outstanding bonds of the issue or series to which the sinking fund belongs and whenever such bonds are not held by the state of Montana and are not subject to redemption, the county treasurer, at the direction of the board of county commissioners, shall purchase such bonds if this can be done at not more than par and accrued interest or at such reasonable premium as the board may feel justified in paying, not in any case exceeding 5%.

(b) The county clerk shall exhibit such bonds and coupons, with such report, to the board of county commissioners at the next regular meeting thereof.

(2) (a) When any bonds have been or are purchased with any sinking and interest fund money under the provisions of 7-7-2270, such bonds, with attached interest coupons, if not then in the possession of the county treasurer, shall be immediately delivered to him. 7-7-2301. Authority to issue refunding general obligation bonds. (1) The board of county commissioners of every county of the state is hereby vested with the power and authority to issue, negotiate, and sell coupon bonds on the credit of the county, as more specifically provided in this part and part 22, for the purpose of refunding, paying, and redeeming optional, redeemable, or maturing bonds when:

(a) there are not sufficient funds available to pay such bonds; and

(b) it is deemed in the best interests of the county to refund such bonds.

(2) (a) The board shall have the power and authority to negotiate with the holders of the bonds of said county for an agreement or agreements whereby said bondholders agree to accept less than the full amount of such bonds and the accrued unpaid interest thereon in full payment and satisfaction thereof, to enter into such agreement or agreements, and to issue refunding bonds for the amount agreed upon whenever:

(i) the total indebtedness of a county exceeds 5% of the value of the taxable property therein; and

(ii) the board of county commissioners of said county finds and determines that the county is unable to pay and discharge such indebtedness in full.

(b) These bonds may be issued in more than one series if the circumstances so require, and each series may be either amortization bonds or serial bonds. The plan agreed upon between the board and the bondholders shall be embodied in full in the resolution providing for the issue of such bonds.

(b) (i) If the unexpired term of the bonds to be refunded shall be more than 10 years, the refunding bonds may be issued for such unexpired term.

(ii) If such 10-year term will require an annual tax levy for payment of such refunding bonds exceeding 10 mills on all property subject to taxation in the county, the term may be so extended as to reduce the required annual levy to 10 mills; provided, however, that the term shall not under any circumstances exceed 20 years.

(2) Bonds issued for any of the purposes designated in 7-7-2301(2) shall not be for a longer term than will be required to repay the bonds with interest through a tax levy of 10 mills on all the property within the county subject to taxation, and the term shall not exceed 20 years.

(3) The length of the term required shall be estimated and calculated by the board of county commissioners, based upon the percentage of valuation of the property upon which taxes are levied and paid within such county as ascertained from the last completed assessment for state and county taxes, taking into account probable changes in the taxable valuation and losses in tax collections. Irrespective of any miscalculation by the county commissioners in fixing the term of the bonds, the county must from year to year make a sufficient tax levy to pay the interest and installments on principal on the bonds as the same fall due.

7-7-4201. Limitation on amount of bonded indebtedness. History: En. Sec. 3, Ch. 160, L. 1931; re-en. Sec. 5278.3, R.C.M. 1935; amd. Sec. 1, Ch. 116, L. 1951; amd. Sec. 2, Ch. 34, L. 1955; amd. Sec. 1, Ch. 33, L. 1973; amd. Sec. 30, Ch. 566, L. 1977; R.C.M. 1947, 11-2303; amd. Sec. 2, Ch. 617, L. 1979; amd. Sec. 47, Ch. 614, L. 1981.

Compiler's Comments

1981 Amendment: Increased 18% to 28% in (1).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-7-4202. Special provisions relating to water and sewer systems. (1) Notwithstanding the provisions of 7-7-4201, for the purpose of constructing a sewer system, procuring a water supply, or constructing or acquiring a water system for a city or town which owns and controls the water supply and water system and devotes the revenues therefrom to the payment of the debt, a city or town may incur an additional indebtedness by borrowing money or issuing bonds.

(2) The additional total indebtedness that may be incurred by borrowing money or issuing bonds for the construction of a sewer system, for the procurement of a water supply, or for both such purposes, including all indebtedness theretofore contracted which is unpaid or outstanding, may not in the aggregate exceed 55% over and above the 28%, referred to in

7-7-4201, of the taxable value of the property therein subject to taxation as ascertained by the last assessment for state and county taxes.

1981 Amendment: Increased 36% to 55% and 18% to 28% in (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. (2) If, upon the hearing of such application, it shall appear to the satisfaction of the court that the city or town council has failed, neglected, or refused to make any levy whatever for such purposes or has made a levy but that the same is insufficient to raise the amount required to be raised for such purposes under the provisions of 7-7-4265, the court shall determine the amount of the deficiency and shall issue a writ of mandate directed to and requiring such city or town council, at the next meeting thereof for the purpose of making and fixing city or town levies, to make and fix a tax levy against all taxable property in such city or town sufficient to raise the amount of such deficiency. This levy shall be in addition to the levy required to be made for the then-current fiscal year.

The notice shall be published once a week for 2 successive weeks immediately preceding such interest payment date.

(3) If such bonds are payable at some bank or financial institution, the city treasurer or town clerk must remit to such bank or institution, before such interest payment date, an amount sufficient to pay and redeem such bonds. (d) to keep proper books of record and accounts of the enterprise (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the enterprise or any part thereof and which, together with all other books and papers of the municipality, shall at all times be subject to the inspection of the holder or holders of not less than 10% of the refunding bonds then outstanding or his or their representatives duly authorized in writing.

(b) No waiver of any default or breach of duty or contract, whether by any holder of refunding bonds or any trustee therefor, shall extend to or shall affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any bondholder or any trustee therefor to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein.

(c) Every substantive right and every remedy conferred upon the holders of refunding bonds may be enforced and exercised from time to time and as often as may be deemed expedient.

(3) In case any suit, action, or proceeding to enforce any right or exercise any remedy shall be brought or taken and then discontinued or abandoned or shall be determined adversely to the holder of the refunding bonds or any trustee therefor, then and in every such case the municipality and such holder or trustee shall be restored to their former positions and rights and remedies as if no such suit, action, or proceeding had been brought or taken.

However, a tax may not be levied if the balance in the revolving fund exceeds 5% of the principal amount of the then-outstanding rural special improvement district bonds and warrants. 7-12-2183. Loan from revolving fund to meet payments on bonds and warrants or to make emergency repairs. (1) Whenever any rural special improvement district bond or warrant or any interest thereon shall become due and payable and there shall then be either no money or not sufficient money in the appropriate district fund with which to pay the same, an amount sufficient to make up the deficiency may, by order of the board of county commissioners, be loaned by the revolving fund to such district fund. Thereupon, such bond or warrant or such interest thereon shall be paid from the money so loaned or from the money so loaned when added to such insufficient amount, as the case may require.

(2) Whenever any rural special improvement district maintenance fund does not have sufficient money to pay the cost of emergency repairs, the board of county commissioners by order or resolution may loan money from the revolving fund to such district maintenance fund. Such loan shall be repaid in annual installments in not more than 3 years. In no event may the loans interfere with the payments of bonds or warrants. The loan shall be repaid by an assessment as provided by 7-12-2120 if other funds are not available. If there are not sufficient funds in the revolving fund to make the loans without interfering with the payment of bonds or warrants, then the loans may not be made.

(2) If, after all the bonds and warrants issued on any rural special improvement district have been fully paid and all moneys remaining in such district fund have been transferred to the revolving fund, there still remains a debt from the district to the revolving fund, the board of county commissioners may foreclose the lien upon property within the district owing unpaid assessments to the district for the purpose of paying off said loan to the revolving fund.

(a) to issue orders annually authorizing loans or advances from the revolving fund to the district fund involved in amounts sufficient to make good any deficiency in the bond and interest accounts thereof, to the extent that funds are available; and

(b) to provide funds for such revolving fund pursuant to the provisions of 7-12-2182 by annually making such tax levy (or, in lieu thereof, such loan from the general fund) as the board may so agree to and undertake, subject to the maximum limitations imposed by 7-12-2182.

Whenever there is in the revolving fund an amount in excess of 5% of the then-outstanding rural special improvement district bonds and warrants and the board considers any part of the excess to be greater than the amount necessary for payment or redemption of maturing bonds or warrants or interest thereon, the board may order the amount the board considers greater than the amount necessary or any part thereof transferred to the general fund of the county.

1981 Amendment: Increased 11% to 17%.

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

A municipality, as of January 1, 1979, that receives garbage and solid waste disposal services from a private motor carrier authorized by the public service commission to provide such service may not, by ordinance or otherwise, elect to provide exclusive garbage and solid waste service unless the municipality pays the private motor carrier fair market value for his equipment or unless the municipality delays commencing the public service for a period of 5 years from the date of the decision by the municipality to provide the garbage and solid waste services. (a) to provide such sewer fund; and/or

(b) to provide for the retirement of such bonds and/or the payment of the interest on such bonds; and/or

(c) for any purpose herein mentioned.

(2) If a majority of votes is cast in favor of such proposition, then the city or town council may establish and collect rentals for the use of any such sewer system and may fix the scale of such rentals and prescribe the manner and time at which such rentals should be paid and to change such scale of rentals from time to time as may be deemed advisable.

(3) The revenues provided in this section shall be in addition to and not exclusive of other revenues which may be now legally collected for sewer payment.

(2) For the purpose of making such rental charges equitable, property benefited thereby may be classified, taking into consideration the volume and character of sewage or waste and the nature of the use made of such sewage facilities.

(2) Sewer charges may take into consideration the quantity of sewage produced and its concentration and water pollution qualities in general and the cost of disposal of sewage and storm waters. The charges may be fixed on the basis of water consumption or any other equitable basis the governing body considers appropriate. The rates for charges may be fixed in advance or otherwise and shall be uniform for like services in all parts of the municipality. If the governing body determines that the sewage treatment or storm water disposal prevents pollution of sources of water supply, the sewer charges may be established as a surcharge on the water bills of water consumers or on any other equitable basis of measuring the use and benefits of the facilities and services.

(3) An original charge for the connecting sewerline between the lot line and the sewer main may be assessed when the connecting sewerline is installed.

(4) The water and sewer rates, charges, or rentals shall be as nearly as possible equitable in proportion to the services and benefits rendered.

1981 Amendment: Substituted "shall not exceed 28% of the taxable value of taxable property" for "shall not exceed 5% of taxable property".

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

Compiler's Comments

1981 Amendment: Increased 9% to 11.25% wherever it appears; and increased 18% to 22.5% wherever it appears.

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

Effective date: Sec. 3, Ch. 332, L. 1979, provided: "This act is effective on passage and approval." Approved March 27, 1979.

7-14-2525. Refunding agreements and refunding bonds authorized. (1) Whenever the total indebtedness of a county exceeds 22.5% of the taxable value of the property therein and the board determines that the county is unable to pay such indebtedness in full, the board may:

(a) negotiate with the bondholders for an agreement whereby the bondholders agree to accept less than the full amount of the bonds and the accrued unpaid interest thereon in satisfaction thereof;

(b) enter into such agreement;

(c) issue refunding bonds for the amount agreed upon.

(2) These bonds may be issued in more than one series, and each series may be either amortization or serial bonds.

(3) The plan agreed upon between the board and the bondholders shall be embodied in full in the resolution providing for the issue of the bonds.

History: En. Sec. 7-302, Ch. 197, L. 1965; amd. Sec. 14, Ch. 100, L. 1973; R.C.M. 1947, 32-3802; amd. Sec. 5, Ch. 617, L. 1979; amd. Sec. 52, Ch. 614, L. 1981.

1981 Amendment: Increased 18% to 22.5% in (1).

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-14-2526. Choice of form of bonds. All bonds issued by any county shall be either amortization bonds or serial bonds. Amortization bonds shall be issued in preference to serial bonds.

7-14-2527. Amortization bonds. (1) The term "amortization bonds" means that form of bond on which a part of the principal is required to be paid each time interest becomes due and payable.

(2) The part payment of principal increases with each following installment in the same amount the interest payment decreases so that the combined amount payable on principal and interest is the same on each interest payment date.

(3) However, the final payment may vary in amount from the other payments to the extent resulting from disregarding fractional cents in the other payments.

History: En. Sec. 7-306, Ch. 197, L. 1965; R.C.M. 1947, 32-3806(2).

7-14-2528. Serial bonds. (1) The term "serial bonds" means a bond issue payable in equal annual installments, one installment consisting of one or more bonds becoming due and payable each year.

(2) The amount to be paid and redeemed each year shall be determined by dividing the total amount of the bonds to be issued by the total number of years the issue is to run so that the total amount of principal to be paid each year will be the same.

(3) The amount of installments becoming due and payable the first year or the first and second years may vary from the others to the extent which results from fixing the amounts of each bond of the other installments at $100, $500, or $1,000, as may be determined by the board.

History: En. Sec. 7-306, Ch. 197, L. 1965; R.C.M. 1947, 32-3806(3).

7-14-2529. Payment of interest. Interest shall be payable semiannually.

History: En. Sec. 7-305, Ch. 197, L. 1965; amd. Sec. 30, Ch. 234, L. 1971; amd. Sec. 125, Ch 316, L. 1974; R.C.M. 1947, 32-3805(4).

7-14-2530. Redemption of bonds authorized. (1) All bonds issued for a term longer than 5 years shall be redeemable, at the option of the county, 5 years after the date of issue and on any payment due date thereafter before maturity.

(2) This statement shall appear on the face of each bond.

History: En. Sec. 7-305, Ch. 197, L. 1965; amd. Sec. 30, Ch. 234, L. 1971; amd. Sec. 125, Ch. 316, L. 1974; R.C.M. 1947, 32-3805(3).

7-14-2531. Definition of term single purpose. (1) It shall be deemed a single purpose to:

(a) acquire a right-of-way for and construct a public highway, including any bridge or bridges thereon;

(b) contribute to the cost of a federal-aid bridge;

(c) contribute to the cost of a federal-aid highway project on a highway leading to a federal-aid bridge.

(2) Construction of two or more bridges not forming a part of the same public highway shall be deemed separate purposes.

(3) Nothing contained in this section shall be construed as amending or repealing 7-16-2201 through 7-16-2205.

History: En. Sec. 7-303, Ch. 197, L. 1965; R.C.M. 1947, 32-3803.

(1) Whenever the board makes an order establishing or changing any road, it must find the amount of damages sustained by each owner or claimant of lands or improvements thereon affected by the road. Damages must be determined by estimating the benefits and damages accruing. The sum estimated as benefits must be deducted from the sum estimated as damages, and the remainder, if any, shall be the amount of damages awarded.

(1) may contract an indebtedness of any such city or town upon the credit thereof by borrowing money or issuing bonds for the purchase, development, operation, or leasing of motorbuses and buslines for the transportation of passengers within the corporate limits of such cities and towns and to operate the same to any point or points beyond these limits not to exceed 8 miles measured along the route of the busline;

(2) shall have the power to enter into a contract or contracts or to enter into a lease or a lease and operating agreement with an independent carrier or independent carriers for the transportation of passengers by bus within the corporate limits of such city or town and to and from any point or points beyond said limits not to exceed 8 miles measured along the route of said busline or buslines.

History: Ap. p. Sec. 1, Ch. 101, L. 1951; amd. Sec. 1, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; amd. Sec. 21, Ch. 315, L. 1974; amd. Sec. 24, Ch. 566, L. 1977; Sec. 11-1019, R.C.M. 1947; Ap. p. Sec. 3, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; amd. Sec. 21, Ch. 315, L. 1974; Sec. 11-1021, R.C.M. 1947; R.C.M. 1947, 11-1019(part), 11-1021(part).

7-14-4402. Limit on indebtedness to provide bus service. The total amount of indebtedness authorized under 7-14-4401(1) to be contracted in any form, including the then-existing indebtedness, may not at any time exceed 28% of the total taxable value of the property of the city or town subject to taxation as ascertained by the last assessment for state and county taxes. No money may be borrowed or bonds issued for the purposes specified in 7-14-4401(1) until the proposition has been submitted to the vote of the taxpayers of the city or town and the majority vote cast in its favor.

History: En. Sec. 1, Ch. 101, L. 1951; amd. Sec. 1, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; amd. Sec. 21, Ch. 315, L. 1974; amd. Sec. 24, Ch. 566, L. 1977; R.C.M. 1947, 11-1019(part); amd. Sec. 53, Ch. 614, L. 1981.

Compiler's Comments

1981 Amendment: Increased 18% to 28%.

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-14-4403. Operation of municipal busline. (1) The city or town council or commission shall have authority to provide for the management and operation of the system authorized by 7-14-4401(1) and to do all things necessary for the successful operation of said transportation system.

(2) Such operations shall be subject to all the provisions of (Title 69, chapter 12) except that:

(a) such municipality may be issued a certificate of public convenience and necessity without proof of the existence of public convenience and necessity; and

(b) the municipality shall be exempt from the payment of fees provided by 69-12-421 and 69-12-422.

History: En. Sec. 2, Ch. 101, L. 1951; amd. Sec. 1, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; R.C.M. 1947, 11-1020.

7-14-4404. Tax levy for contracts to operate bus service. For the purpose of raising the necessary money to defray the cost of the transportation service authorized by 7-14-4401(2) pursuant to such contract, lease, or lease and operating agreement with such independent carrier or carriers, the city or town council may annually levy a tax on the taxable value of all taxable property within the limits of the city or town. Whenever the council of the city or town considers it necessary to raise money by taxation for such purpose in excess of the levy now allowed by law, the council of the city or town shall in the manner prescribed by law submit the question of such additional levy to the qualified electors of the city or town, either at the regular annual election held in the city or town or at a special election called for that purpose by the council of the city or town. The additional levy in excess of the levy now allowed by law may not exceed 1 ½ mills.

History: En. Sec. 3, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; amd. Sec. 21, Ch. 315, L. 1974; R.C.M. 1947, 11-1021(part); amd. Sec. 12, Ch. 253, L. 1979.

7-14-4405. Bids for bus service contracts authorized — operation of bus service. The city or town council shall have power and authority to call for bids from independent carriers for such transportation service authorized by 7-14-4401(2) and to do all things necessary or proper for establishment and maintenance of such transportation service by contract, lease, or lease and operating agreement.

History: En. Sec. 4, Ch. 211, L. 1955; amd. Sec. 1, Ch. 120, L. 1957; R.C.M. 1947, 11-1022.

Part 21

County Housing Authorities

7-15-2101. Findings and policy. It is hereby declared that:

(1) unsanitary or unsafe dwelling accommodations exist in rural areas throughout the state, and such unsafe or unsanitary conditions arise from overcrowding and concentration of population, the obsolete and poor conditions of buildings, improper planning, excessive land coverage, lack of proper light, air, and space, unsanitary design and arrangement, lack of proper sanitary facilities, and the existence of conditions which endanger life or property by fire and other causes;

(2) in such rural areas, many persons of low income are forced to reside in unsanitary or unsafe dwelling accommodations;

(3) in such rural areas, there is a lack of safe or sanitary dwelling accommodations available to all the inhabitants thereof, and consequently, many

persons of low income are forced to occupy overcrowded and congested dwelling accommodations;

(4) these conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals, and welfare of the citizens of the state and impair economic values;

(5) these conditions cannot be remedied by the ordinary operations of private enterprise;

(6) the clearance, replanning, and reconstruction of the areas in which unsanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired;

(7) it is in the public interest that work on such projects be instituted as soon as possible; and

(8) the necessity for the provisions hereinafter enacted is hereby declared, as a matter of legislative determination, to be in the public interest.

(b) whether there is a lack of safe or sanitary dwelling accommodations in the county available for all the inhabitants thereof.

(2) If it shall determine that either or both of the above-enumerated conditions exist, the board shall adopt a resolution so finding (which need not go into any detail other than the mere finding) and shall thereupon appoint, as hereinafter provided, five commissioners to act as an authority.

(3) If the board, after a hearing as aforesaid, shall determine that neither of the above-enumerated conditions exist, it shall adopt a resolution denying the petition. After 3 months shall have expired from the date of the denial of any such petition, subsequent petitions may be filed as aforesaid and new hearings and determinations made thereon.

(2) When the application has been made, filed, and recorded, the secretary of state shall make and issue to the commissioners a certificate of incorporation pursuant to this part, under the seal of the state, and shall record the same with the application.

Such resolution shall not be effective until it has been approved by a majority vote of the electors within the corporate limits of such city or town voting at either a special or general election.

(2) If, after the adoption of such resolution or resolutions, an authority is established for any city within the county, the county authority shall have no power to initiate any further housing projects within such city without the consent by resolution of the governing body thereof and of the authority established for such city.

(2) Except as otherwise provided in this part, each housing authority created for a county and the commissioners thereof shall have the same functions, rights, powers, duties, and limitations provided for housing authorities created for cities and the commissioners of such housing authorities, and for such purposes, unless a different meaning clearly appears from the context:

(2) The amount so paid for any year upon such property shall not exceed the taxes which would be paid to the state and/or subdivision thereof, as the case may be, upon such property if it were not exempt from taxation, with such allowances as may be considered to be appropriate for expenditures by the government for streets, utilities, or other public services to serve such property.

(1) that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals, and welfare of the residents of the state, exist in municipalities of the state;

(2) that the existence of such areas:

(a) contributes substantially and increasingly to the spread of disease and crime and depreciation of property values;

(b) constitutes an economic and social liability;

(c) substantially impairs or arrests the sound growth of municipalities;

(d) retards the provision of housing accommodations;

(e) aggravates traffic problems; and

(f) substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and

(3) that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization, and other forms of public protection, services, and facilities.

(1) that certain of such blighted areas or portions thereof may require acquisition, clearance, and disposition subject to use restrictions as provided in this part, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation;

(2) that other areas or portions thereof may, through the means provided in this part, be susceptible of rehabilitation in such a manner that the conditions and evils enumerated in 7-15-4202 may be eliminated, remedied, or prevented; and

(3) that to the extent feasible salvable blighted areas should be rehabilitated through voluntary action and the regulatory process.

7-15-4204. Interpretation. It is further found and declared:

(1) that the powers conferred by this part and part 43 are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and

Commissioner correction. In Ch. 667, L. 1979, the second reference in subsection (2) was erroneously to section 9 of the bill enacting Ch. 667. Section 9 amended section 7-15-4289, MCA. The Code Commissioner has inserted the correct reference (7-15-4293, section 12 of the bill). The error arose when the Legislature renumbered the bill sections but overlooked this reference in the course of enacting Ch. 667.

7-15-4284. Filing of tax increment provisions of urban renewal plan. (1) The clerk of the municipality shall file a certified copy of each urban renewal plan or amendment thereto containing a tax increment provision with the state, county, or city officers responsible for assessing and determining the taxable value of taxable property within the urban renewal area or any part thereof.

(2) A certified copy of the plan or amendment shall also be filed with the clerk or other appropriate officer of each of the affected taxing bodies.

History: En. 11-3921 by Sec. 1, Ch. 287, L. 1974; amd. Sec. 1, Ch. 452, L. 1975; amd. Sec. 2, Ch. 532, L. 1977; amd. Sec. 31, Ch. 566, L. 1977; R.C.M. 1947, 11-3921(part).

7-15-4285. Determination and report of original, actual, and incremental taxable values. The officer or officers responsible for assessing and determining the taxable value of the taxable property located within the urban renewal area shall, immediately upon receipt of the tax increment provision and each year thereafter, calculate and report to the municipality and to any other affected taxing body the base, actual, and incremental taxable values of such property.

History: En. 11-3921 by Sec. 1, Ch. 287, L. 1974; amd. Sec. 1, Ch. 452, L. 1975; amd. Sec. 2, Ch. 532, L. 1977; amd. Sec. 31, Ch. 566, L. 1977; R.C.M. 1947, 11-3921(part); amd. Sec. 6, Ch. 667, L. 1979.

7-15-4286. Procedure to determine and disburse tax increment. (1) Mill rates of taxing bodies for taxes levied after the effective date of the tax increment provision shall be calculated on the basis of the sum of the taxable value, as shown by the last equalized assessment roll, of all taxable property located outside the urban renewal area and the base taxable value of all taxable property located within the urban renewal area. The mill rate so determined shall be levied against the sum of the actual taxable value of all taxable property located within as well as outside the urban renewal area.

(2) (a) The tax increment, if any, received in each year from the levy of the combined mill rates of all the affected taxing bodies against the incremental taxable value within the urban renewal area shall be paid into a special fund held by the treasurer of the municipality and used as provided in 7-15-4282 through 7-15-4292.

(b) The balance of the taxes collected in each year shall be paid to each of the taxing bodies as otherwise provided by law.

History: En. 11-3921 by Sec. 1, Ch. 287, L. 1974; amd. Sec. 1, Ch. 452, L. 1975; amd. Sec. 2, Ch. 532, L. 1977; amd. Sec. 31, Ch. 566, L. 1977; R.C.M. 1947, 11-3921(4); amd. Sec. 7, Ch. 667, L. 1979.

7-15-4287. Provision for use of portion of tax increment. (1) At the time of adoption of a tax increment provision or at any time subsequent thereto, the governing body of the municipality may provide that a portion of the tax increment from the incremental taxable value shall be released from segregation by an adjustment of the base taxable value, provided that:

(a) all principal and interest then due on bonds for which the tax increment has been pledged has been fully paid; and

(b) the tax increment resulting from the smaller incremental value is determined by the governing body to be sufficient to pay all principal and interest due later on the bonds.

(2) The adjusted base value determined under subsection (1) shall be reported by the clerk to the officers and taxing bodies to which the increment provision is reported.

(3) Thereafter, the adjusted base value is used in determining the mill rates of affected taxing bodies unless the tax increment resulting from the adjustment is determined to be insufficient for this purpose. In this case, the governing body must reduce the base value to the amount originally determined or to a higher amount necessary to provide tax increments sufficient to pay all principal and interest due on the bonds.

7-15-4290. Use of property taxes for payment of bonds. (1) The tax increment may be pledged for the payment of revenue bonds issued for urban renewal projects or of general obligation bonds, revenue bonds, or special assessment bonds issued to pay urban renewal costs described in 7-15-4289. Any municipality issuing such bonds may, by resolution of its governing body, enter into a covenant for the security of the bondholders, detailing the calculation and adjustment of the tax increment and the taxable value on which it is based.

(2) No property taxes, except the tax increment derived from property within the urban renewal area and tax collections used to pay for services provided to the municipality by an urban renewal project, may be applied to the payment of bonds issued pursuant to 7-15-4301 for which a tax increment has been pledged.

7-15-4292. Termination of tax increment financing. (1) The tax increment provision shall terminate upon the 10th year following its adoption or upon the payment or provision for payment in full or discharge of all bonds for which the tax increment has been pledged and the interest thereon, whichever last occurs.

(2) Any amounts remaining in the special fund or any reserve fund after termination of the tax increment provision shall be distributed among the various taxing bodies in proportion to their property tax revenues from the district.

(3) After termination of the tax increment provision, all taxes shall be levied upon the actual taxable value of the taxable property in the urban renewal area and shall be paid into the funds of the respective taxing bodies.

7-15-4293. Adjustment of base taxable value following change of law. If the base taxable value of an urban renewal area is affected after its original determination by a statutory, administrative, or judicial change in the method of appraising property, the tax rate applied to it, the tax exemption status of property, or the taxable valuation of property if the change in taxable valuation is based on conditions existing at the time the base year was established, the governing body of the municipality may request the department of revenue or its agents to calculate the base taxable value as it would have been on the date of the original determination had the change been in effect on that date. The governing body may adjust the base taxable value to that value reported by the department of revenue, under the provisions of 7-15-4287.

Part 44

Municipal Housing Authorities

7-15-4401. Findings and policy. It is hereby declared that:

(1) unsanitary or unsafe dwelling accommodations exist in urban areas throughout the state, and such unsafe or unsanitary conditions arise from overcrowding and concentration of population, the obsolete and poor conditions of buildings, improper planning, excessive land coverage, lack of proper light, air, and space, unsanitary design and arrangement, lack of proper sanitary facilities, and the existence of conditions which endanger life or property by fire and other causes;

(2) in such urban areas, many persons of low income are forced to reside in unsanitary or unsafe dwelling accommodations;

(3) in such urban areas, there is a lack of safe or sanitary dwelling accommodations available to all the inhabitants thereof, and consequently, many persons of low income are forced to occupy overcrowded and congested dwelling accommodations;

(4) these conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals, and welfare of the citizens of the state and impair economic values;

(5) these conditions cannot be remedied by the ordinary operations of private enterprise;

(6) the clearance, replanning, and reconstruction of the areas in which unsanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired;

(7) it is in the public interest that work on such projects be instituted as soon as possible; and

(8) the necessity for the provisions hereinafter enacted is hereby declared, as a matter of legislative determination, to be in the public interest.

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. 7-16-2330. Allowance of claims. (1) Subject to the provisions of subsection (2), the board of park commissioners shall, at its first regular meeting in each month, audit and allow all just claims against the county, liability for which shall have been incurred by said board.

(2) No claim shall be audited or paid until an itemized account of such claim, in writing and signed by the claimant or his or its authorized agent, shall have been filed in the office of the secretary of said board.

7-16-2331. Disbursement of money. All money paid out by the park commissioners under the provisions of this part shall be by warrant drawn upon the county treasury, which may be signed by the secretary and countersigned by the president or, in his absence, by the vice-president of the board of park commissioners. Upon approval by a majority of the members of the board of park commissioners at a regular meeting of the board at which a quorum is in attendance and voting and with due notice and report being made to the board of county commissioners, payments so authorized may be made by warrant drawn upon the county treasury, signed by the chairman of the board of county commissioners and countersigned by the county clerk and recorder.

Part 1

Control of Dutch Elm Disease

7-22-101. Purpose. The legislature finds that an epidemic of Dutch elm disease is occurring in Montana which threatens the natural environment. Immediate action is therefore necessary to provide funds to assist local governments in the implementation of Dutch elm disease control programs by conducting reforestation, sanitation, and wood utilization or disposal systems, increasing public awareness of Dutch elm disease, accelerating training of tree inspectors and research for disease prevention, and subsidizing private property owners for the removal of diseased elm trees.

History: En. Sec. 1, Ch. 535, L. 1979.

(2) The rules shall prescribe control measures to be used to prevent the spread of Dutch elm disease and shall include the following:

(a) qualifications for tree inspectors;

(b) methods to be used for identifying diseased shade trees;

(c) procedures for giving reasonable notice of inspection of private real property;

(d) measures for the removal of any elm tree that may contribute to the spread of Dutch elm disease;

(e) methods of reforestation in areas under an approved Dutch elm disease control program; and

7-22-107 through 7-22-110 reserved.

7-22-111. Removal of diseased elm trees — assessment of costs. (1) Local governments with Dutch elm disease control programs approved by the department may inspect private real property after giving reasonable notice for the presence of Dutch elm disease.

(2) An owner of the real property on which a diseased elm tree is located may be required to remove or treat the tree within the period of time and in the manner established by the department.

(3) Diseased elm trees that are not removed or treated by approved methods by the department, after issuance of an order to that effect by the local government, may be declared a public nuisance and removed or treated by the local government. The local government may assess an amount up to the actual expense upon the landowner, and the assessment shall be a lien on the property. In addition a local government may assess to the abutting properties up to 50% of the actual expenses of treating or removing with approved methods diseased elm trees located on street terraces or boulevards, and the assessment constitutes a lien on the property.

A disease control program must be approved before the local government is eligible for grants available in 7-22-113. A local government may make application for a grant at the same time approval of a disease control program is sought.

History: **En. Sec. 5, Ch. 535, L. 1979.**

7-22-113. Grants to local governments. (1) The department may, within the limit of appropriations provided, make grants to local governments with approved disease control programs for the partial funding of sanitation and reforestation programs.

(2) Grants to any local government for sanitation may not exceed 45% of sanitation costs approved by the department, including any amount of sanitation costs paid by special assessments, ad valorem taxes, federal grants, or other funds. A local government may not specially assess a property owner any amount greater than the amount of the tree's sanitation cost minus the amount of the tree's sanitation cost reimbursed by the department.

(3) Grants to local governments for reforestation may not exceed the lesser of 50% of the cost or $40 multiplied by the number of trees planted pursuant to the reforestation program and are limited for any local government in any year to grants for not more than the number of trees removed on public property in the sanitation program in the previous year, except during the first year of any approved disease control program.

History: En. Sec. 6, Ch. 535, L. 1979.

An owner of property on which elm trees are located may contract with a local government to provide protection against the cost of approved treatment or removal of diseased elm trees or elm trees that will contribute to the spread of elm tree diseases. Under such contracts, the local government shall pay for the removal or approved treatment under such terms and conditions as may be determined by the governing body of the local government.

Any person certified as a tree inspector by the department is authorized to enter and inspect any public or private property in that disease control area that might harbor diseased elm trees, provided prior notice is given as required by rules of the department made pursuant to 7-22-103.

(3) The department may upon notice and an opportunity for a hearing decertify any tree inspector when it appears that the tree inspector has failed to act competently or in the public interest in the performance of his duties. Nothing in this subsection limits or otherwise affects the authority of the department to dismiss or suspend a tree inspector at its discretion, except as otherwise provided by law.

History: En. Sec. 8, Ch. 535, L. 1979.

7-22-117. Financing. (1) A local government may collect the amount assessed against the property under 7-22-111 as a special assessment.

(2) (a) Any funds unexpended at the dissolution of a district shall be paid over into the county general fund. (b) to submit, within 60 days after ascertaining the same, to the electors of such county the proposition to approve or disapprove the contract and the issuance of bonds necessary to carry out the same.

(2) The amount of the bonds authorized by this section may not exceed 22.5% of the taxable value of the taxable property therein, inclusive of the existing indebtedness thereof, to be ascertained by the last assessment for state and county taxes previous to the issuance of said bonds and incurring of said indebtedness.

History: En. Sec. 4, p. 143, L. 1893; re-en. Sec. 4834, Pol. C. 1895; re-en. Sec. 3433, Rev. C. 1907; re-en. Sec. 5292, R.C.M. 1921; re-en. Sec. 5292, R.C.M. 1935; R.C.M. 1947, 11-2504(part); amd. Sec. 56, Ch. 614, L. 1981.

Compiler's Comments

1981 Amendment: Substituted "may not exceed 22.5% of the taxable value" for "shall not exceed 5% of the value" near the beginning of (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-31-107. Authorization for municipality to issue bonds — election required. (1) If said petition is presented to the council of any incorporated city or town, the council, for the purpose of raising money to meet the payments under the terms and conditions of said contract and other necessary and proper expenses in and about the same and for the approval or disapproval thereof:

(a) shall ascertain, within 30 days after submission of the petition, the aggregate indebtedness of such city or town; and

(b) shall submit, within 60 days after ascertaining the same, to the electors of such city or town the proposition to approve or disapprove said contract and the issuance of bonds necessary to carry out the same.

(2) The amount of the bonds authorized by this section may not exceed 16.5% of the taxable value of the taxable property therein, inclusive of the existing indebtedness thereof, to be ascertained in the manner provided in this part.

History: En. Sec. 4, p. 143, L. 1893; re-en. Sec. 4834, Pol. C. 1895; re-en. Sec. 3433, Rev. C. 1907; re-en. Sec. 5292, R.C.M. 1921; re-en. Sec. 5292, R.C.M. 1935; R.C.M. 1947, 11-2504(part); amd. Sec. 57, Ch. 614, L. 1981.

1981 Amendment: Substituted "may not exceed 16.5% of the taxable value" for "shall not exceed 3% of the value" near the beginning of (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: "(1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval."

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

Preamble. The preamble to Chapter 193, L. 1979, reads as follows: "WHEREAS, confusion has arisen concerning the proper status of prior existing fire districts and fire companies following the formation of a city-county consolidated government with self-government powers; and

WHEREAS, the legislature wishes to clarify this situation with the clear understanding that the substance of the law is not changed; and

WHEREAS, Title 7, chapter 33, part 41, requires municipalities to provide fire services under that part; and

WHEREAS, and city-county consolidated government is neither a county government nor a municipality but under 7-3-1103 has the status of both; and

WHEREAS, this combined status allows the people of the local area to choose the most desirable means to provide local services, including fire services, within reasonable limits of interpreting applicable state law and so long as vested rights are not unreasonably abrogated; and

WHEREAS, the legislature finds that a local government charter that maintains rural fire services organizations as they were prior to consolidation is a reasonable interpretation of those laws; and

WHEREAS, to provide the desirable ratification of any existing charter interpretation to this effect and to clarify the application of such charters in the future.

THEREFORE, it is the purpose of this act to clarify the law on this point without establishing a presumption that the law is in any way substantively altered."

Preamble. The preamble to Chapter 193, L. 1979, reads as follows: "WHEREAS, confusion has arisen concerning the proper status of prior existing fire districts and fire companies following the formation of a city-county consolidated government with self-government powers; and

WHEREAS, the legislature wishes to clarify this situation with the clear understanding that the substance of the law is not changed; and

WHEREAS, Title 7, chapter 33, part 41, requires municipalities to provide fire services under that part; and

WHEREAS, and city-county consolidated government is neither a county government nor a municipality but under 7-3-1103 has the status of both; and

WHEREAS, this combined status allows the people of the local area to choose the most desirable means to provide local services, including fire services, within reasonable limits of interpreting applicable state law and so long as vested rights are not unreasonably abrogated; and

WHEREAS, the legislature finds that a local government charter that maintains rural fire services organizations as they were prior to consolidation is a reasonable interpretation of those laws; and

WHEREAS, to provide the desirable ratification of any existing charter interpretation to this effect and to clarify the application of such charters in the future.

THEREFORE, it is the purpose of this act to clarify the law on this point without establishing a presumption that the law is in any way substantively altered."

Effective date. Sec. 2, Ch. 193, L. 1979, provided: "This act is effective on its passage and approval." Approved March 21, 1979.

Compiler's Comments

1981 Amendment: Substituted "may not exceed 22.5% of the taxable value of the property" for "shall not exceed 5% of taxable property" in (2).

Validation: Section 64, Ch. 614, L. 1981, provided: "Notwithstanding any provisions of this act, any outstanding indebtedness or bond issue on January 1, 1982, of any governmental subdivision is not invalidated because of any changes in the taxable valuation of the subdivision due to removal of automobiles and trucks having a rated capacity of three-quarters of a ton or less from the tax base."

Effective Date: Section 66, Ch. 614, L. 1981, provided: (1) Except as provided in subsection (2), this act is effective January 1, 1982.

(2) Section 5 is effective on passage and approval.

Effect of 1981 Amendment: The primary purpose of Ch. 614, L. 1981 was to replace the system of taxation of automobiles and light trucks with a fee system. With the adoption of the fee system, automobile and light trucks are no longer taxable property. The resulting loss of taxable valuation has a direct effect on the amount of indebtedness a political subdivision can incur. Thus it was necessary in Ch. 614 to increase the percentage of taxable valuation used as a limitation on indebtedness to offset the loss of taxable valuation attributable to automobile and light trucks.

7-34-2132. Hospital district budget. The board of hospital trustees shall annually present their budget to the board of county commissioners at the regular budget meetings as prescribed by law and therewith certify the amount of money necessary and proper for the ensuing year.

7-34-2133. Levy of district taxes — limit on mill levy. (1) The board of county commissioners must, annually at the time of levying county taxes, fix and levy a tax (in mills) upon all property within said hospital district clearly sufficient to raise the amount certified by the board of hospital trustees under 7-34-2132.

(2) The tax so levied for all hospital district purposes other than payment of bonded indebtedness shall not in any year exceed 3 mills on each dollar of taxable valuation of property within said district.

History: **En. Sec. 9, Ch. 155, L. 1953; amd. Sec. 9, Ch. 257, L. 1969; R.C.M. 1947, 16-4309(part).**

7-34-2134. Special additional mill levy authorized. If the maximum levy of 3 mills on each dollar of taxable valuation of property within the hospital district is inadequate to raise the amount of money certified as necessary and proper by the board of hospital trustees as provided in 7-34-2132, the board of county commissioners may make an additional levy for 2 years upon the taxable property within said hospital district of 6 mills or less sufficient to raise the amount certified by the board of hospital trustees.

History: **En. 16-4309.1 by Sec. 1, Ch. 132, L. 1974; R.C.M. 1947, 16-4309.1(1); amd. Sec. 1, Ch. 554, L. 1979.**
